What do winners receive?

The Microsoft 2019 IMPACT Award winners will be recognized at our Canadian Regional Keynote on July 14, 2019 in Las Vegas, Nevada. Partners who are recognized as winners will be acknowledged in press releases, and will receive a marketing kit (award logos, local press templates, and Web banners) with which to promote their accomplishments, they will receive a trophy delivered to their office following the week and promotions through PR and potentially case studies provided by Microsoft.

Is any customer information I provide confidential?

If your customer has any proprietary rights in and to the solution you submit, as a condition of being named a winner in this Contest, your customer must be willing and able to grant to you and Microsoft the right and permission to feature and otherwise describe the Solution in a case study and to use the case study for promotional, editorial, demonstration or any other related purposes.

Tell me more about the confidentiality....

Any customer name or customer information you provide in your award submission will not be published immediately. You will, however, be asked to provide a signed customer release from the end customer if you are an award winner so we can possibly produce a case study.

In the award submission process, we recommend that if you have any privacy concerns, you add a note at the bottom of the last question in the nomination form that states the confidentiality concerns for this particular award submission. This will flag the Microsoft product teams that are evaluating this nomination and will note the requirement of a release to publicize any customer information.

Will my customer be contacted?

If you have provided customer references, judges may ask your permission to contact these references when making their final decision. Other than that, there will be no contact with your customer.

Can I see other partners' entries to assist me with my own?

All entries are confidential, so it is not possible to see entries from other partners.

When will winners and finalists be announced?

The winners and finalists will be announced on July 14, 2019 at Inspire in Las Vegas, Nevada.
