

Frequently Asked Questions on the Australia Central Pricing Promotion:

- **What is the promotion?** Commencing 1 March, 2019, selected SKUs deployed into the Australia Central regions will be price-matched to Australia East. For the full list of eligible SKUs, please refer to Appendix A.
- **How long does the promotion run for?** The promotional period is from 1 March, 2019 to 31 August, 2019.
- **Who's eligible for the promotion?** All customers and partners in Australia and New Zealand who have already deployed the eligible SKUs into the AU Central regions, or who do so during the promotional period, will automatically receive the promotional price. The standard eligibility (whitelisting) process applies for new customers and partners.
- **Which SKUs are included in the promotion?** The promotion applies to SKUs including D Series, E Series, M Series, App Services, SQL Data Warehouse and storage. For the full list of eligible SKUs please refer to Appendix A.
- **I'm already in Australia Central. How do I take advantage of the promotion?** You don't need to do anything. You will automatically receive the promotional price. In addition, the promotional price will be applied to existing clusters – there is no need to spin up a new cluster in order to take advantage of the promotion.
- **What happens when the promotion ends?** Customer and partners will receive 30 days' notice of the promotional period ending. Their service will then revert to the original pricing.
- **Does the promotion include Reserved Instances (RI)?** No. Any request not within the scope of the promotion will need to be directed to your Microsoft account team or aucentralquestions@microsoft.com
- **Who should I speak to for more information?** Your account executive or aucentralquestions@microsoft.com can assist you with any further questions.

Appendix 1: List of SKUs impacted by the pricing promotion
