TRANSFORM YOUR INSTITUTION IN THE CLOUD

WE FOCUS ON YOUR TECHNOLOGY -
SO YOU CAN FOCUS ON STUDENTS

The cloud is no longer on some distant horizon for higher education. It's here. In a climate of greater competition and reduced funding, today's institutions need the cloud to focus more resources on the student and institutional lifecycle. They need the cloud to transform academic delivery, student success and operational efficiency on their terms, to evolve and grow dynamically. With CampusNexus® Cloud, your institution gains rapid access to the most dynamic higher education solutions from Campus Management in a true SaaS model.

CampusNexus Cloud is built on Microsoft Azure, the proven Microsoft cloud, providing increased integration with Office 365, Power BI and other Microsoft applications, as well as flexibility to extend CampusNexus solutions with additional cloud services. With CampusNexus Cloud, we focus on your systems, so you can focus on your students and strategic initiatives.
