FLEXIBLE CUSTOMER INVOICING

The screenshot displays a web interface for generating customer invoices. It features a list of subscriptions with columns for selection, item name, amount, date range, and a checkbox. A tooltip for 'Rollover Items' explains that these are items not included in the previous billing cycle. A summary section on the left categorizes the selected items into usage-based, license-based, and rolled-over items. On the right, a summary table shows the sub-total, tax, discount, and final total.

	PA	Item Name	Amount	Date Range	Selection
<input checked="" type="checkbox"/>	Production	Production Azure Subscription	¥ 8 805 100	Previous 30 Days	<input checked="" type="checkbox"/>
<input checked="" type="checkbox"/>	Production	Production Azure Subscription	¥ 8 805 100	Previous 30 Days	<input checked="" type="checkbox"/>
<input type="checkbox"/>	Production	Production Azure Subscription	¥ 8 805 100	June 10 2018 - Jul 10 2018	<input type="checkbox"/>
