

Dynamics TMS®
Transportation Management Solution

Welcome to our DynamicsTMS®365 and NEXTrack® Transportation Collaboration Portal

Move from What's Now to What's Next!

This secure site exists to provide Freight Rate Shopping, Dispatching, Shipment Tracking, Shipment Settlement and Load Bidding. If you experience problems with this site, call (847) 963-0007 24/7 or email our support group at support.nextgeneration.com This next generation transportation platform is transforming how shippers approach and manage their shipping needs.

By leveraging state of art technology and replacing manual processes and old technology, we're bringing real time information that is clean, structured, and reliable that will streamline transportation management connectivity through a single, easy to use platform for connecting to transportation providers.

- Improve efficiencies
- Reduce supply chain costs
- Give your supply chain customer service a boost
- Move from What's Now to What's Next!

The screenshot shows a web browser window with the URL <https://www.dynamictms365.com/Default?uc=136>. The page features a navigation menu on the left with categories like Home, Actions, and Edit Page Content. The main content area is enclosed in a blue border and contains the following text:
