WORKFORCE MANAGEMENT AND ONLINE PAYROLL FOR MOROCCO

AJIEL is a solution for workforce management and payroll for companies in Morocco.

When you open your account online, you can start hiring your employees, make absence entries, calculate payroll, and print the payslips.

Your employees can also access it, view and download the payslips.

We take care of regulatory updates as well as security, availability and backups.

You can stay focused on your job

Your office is everywhere, at work, at home, at the hotel, at a customer's office, even on your tablet. Your data is accessible anywhere with Internet access.
