4 BEST PRACTICES OF HIGHLY SUCCESSFUL SCHOOLS

Report Bee
Measure and Improve learning

WHAT OUR CUSTOMERS SAY

MOHAMMED AZHAR
PRINCIPAL OF KNOWLEDGE ACADEMY SCHOOL

“We are using Report Bee for the past five years. For any educational institution which runs on data, Report Bee is a must have product. This is one of the best, hassle

free, user friendly, IT enabler products for our school, which has been unanimously appreciated by the parents, teachers, and the management. Especially, Daffodils version has made task of teachers, parents and management easy by identifying the learning curve of the students over a period of time. And the best part is that every analysis is just a click away. The work which used to require days and more manpower can now be done single handedly in a short span of time. Within minutes the teachers and parents can get to know which student is where on a learning curve as well as the overall performance of the school, not only in academics but in co-scholastic front as well.

LAKSHMI KUMAR
DIRECTOR OF PNES & THE ORCHID SCHOOL

“Our teachers have expressed such immense relief and pleasure of preparing the reports through Report Bee. You have to hear it to believe it. Parents have expressed how easy it is to understand their child's performance. For academic leaders, it is an easy comprehension of class wise, student wise and teacher wise performance analysis. Our IT team is thrilled to work them and very happy with Report Bee's availability 24x7 for any issues.

AMIT DESAI
CTO OF BILLABONG GROUP OF SCHOOLS

“It has been a wonderful experience generating Report Cards from Report Bee's software. Our school has various designs and formats of different boards, but Report Bee adheres to all. With its

simple and user-friendly interface, marks and grades are calculated within minutes and we are able to deliver a complete analytical report to the parents. Report Bee has an excellent team with all around support.
