

THE NEW AND BETTER WAY TO MANAGE TEACHING AND LEARNING IN YOUR SCHOOL

The Education Platform for Secondary Schools

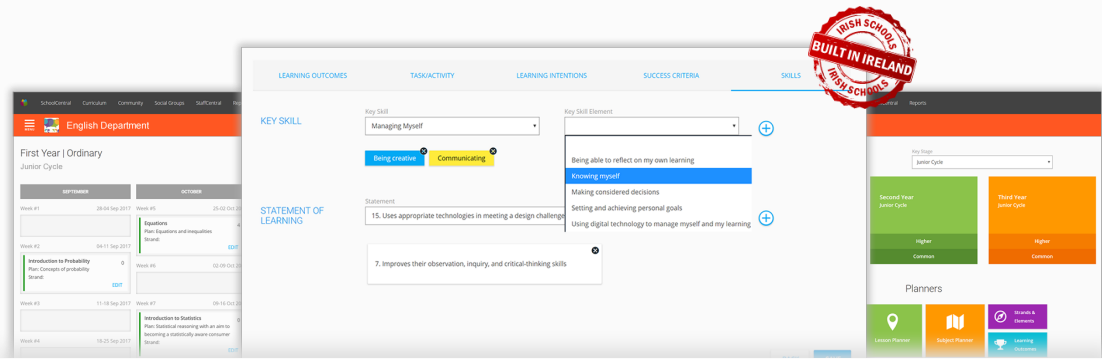

THE EDUCATION PLATFORM FOR YOUR SCHOOL

Departments can plan for the new Junior Cycle, get organised for the next parent teacher meeting, track student performance, capture all the information for an S.S.E. and you don't have to worry about the next inspection. SchoolWise gets all of the jobs done in one platform.

WE HAVE THE JUNIOR CYCLE COVERED! ALL OF YOUR SUBJECTS ARE SETUP AND READY TO GO

WE WALK YOU THROUGH THE ENTIRE PROCESS STEP BY STEP

Junior Cycle Specifications

We take the admin out of planning by having everything you need built in and ready to go

Consistent Terminology

Consistent terminology instils confidence in everyone in their use and understanding of the new Junior Cycle

True Collaboration

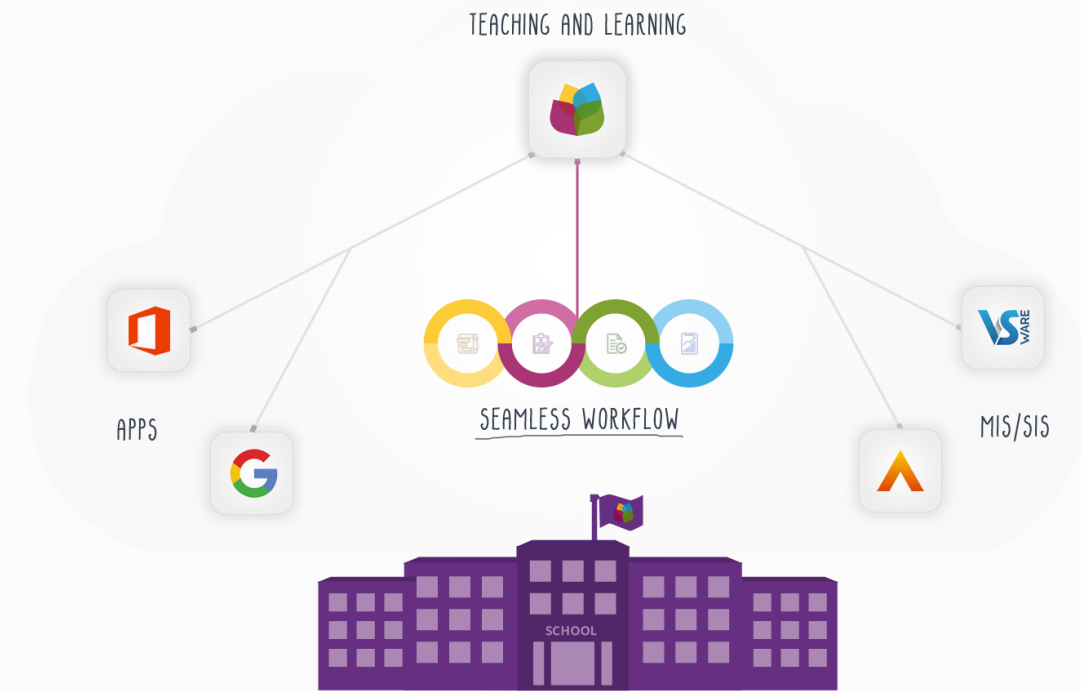

A space for departments to plan together, share the workload and learn from each other

Done Once, Refine Over Time

Planning scheduled over the 33 weeks of learning that rolls over year after year simply refine over time

STREAMLINE YOUR I.T

The unified school where everyone uses a standard suite of apps to get all the jobs done in one seamless workflow. Increase your productivity, reduce your workload, save time, less stress and focus on what really matters!

SCHOOLWISE CONNECTS TO THE TOOLS YOU ALREADY USE TODAY

Get all the jobs to be done in your school combined into one seamless workflow. No more time wasted importing, exporting, collating data, switching between apps or having to manage multiple logins and forgotten passwords
