TRANSCRIBE AT SCALE WITH AI POWERED TRANSCRIPTION AND CAPTIONING

Verbit is a customizable end-to-end transcription and captioning solution that leverages AI to provide a unique experience for each customer.

Our proprietary technology is raising the industry standard to a whole new level by delivering at record breaking speed and unmatched accuracy.

"I was quickly impressed with Verbit and the quality of the automatic transcription, even before Verbit's team of human transcribers polished our video captions to perfection"

Kimberly Dryden,
Senior Manager Producer at Udacity Online Learning
