Plurilogic presents the improved version of the Pluriportail mobile application!

You will find that the performance has been greatly improved.

The programming architecture of this application has been redesigned, which will allow Pluriportail to continue to evolve.

MORE FLEXIBLE

Synchronization allows you to view data updates made in "OFFLINE" mode, which will update when you are in "ONLINE" mode. The "OFFLINE" mode allows you to work with the Pluriportail mobile without being connected to an internet network.
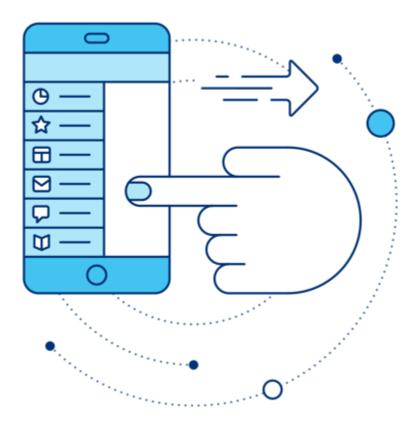

REFRESH YOUR DATA

To improve performance, the application regularly updates the data automatically.

If you want to refresh your data at a specific time, simply slide the screen down. Please note that there will be a delay during the refresh and some screens do not support this function.
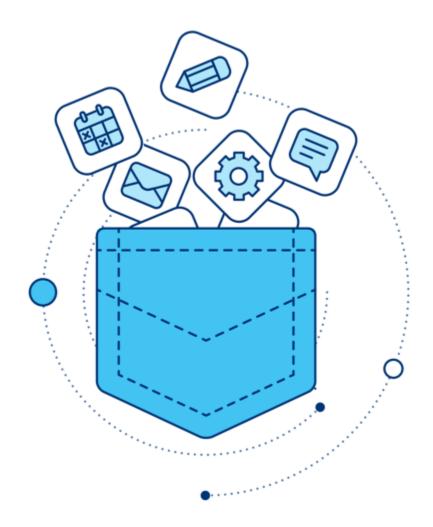

QUICK ACCESS TO MAIN MENU

Swipe to the right or left by sliding your finger across the screen; you will then have access to the menu quickly from all the pages of the mobile application.

YOUR SCHOOL BAG NOW IN YOUR POCKET!

Discover the features of your Pluriportail mobile application.

No need for paper agenda since you can view your schedules, work, personal notes, results and tasks in real time on your device. A fast and efficient way to stay up to date!

COMMUNICATION ... ESSENTIAL TO THE SUCCESS OF STUDENTS!

Send a message with one click to parents, teachers, students, etc. using the internal messaging system of the mobile Pluriportail. An essential tool to engage all members of your school community.

PUBLISH COURSE MATERIAL AND ASSIGNMENTS... EVERYWHERE AND AT ALL TIMES!

Create, plan and edit work and student assessments. Students and parents will be better equipped to achieve academic success!
