Performance

Track your progress. Measure your government agency's strategic goals and outcomes.

- A system of programs, measures and scorecards.
- Track an unlimited number of budget and non-budget key performance indicators (KPIs).
- Monitor with user-defined dashboards. Alerts and reminder notifications.
- Interactive analytic tools. Drill down to specific strategies, programs, and initiatives.
- Integrates seamlessly with Qwestica Budget.

“Implementing Qwestica Budget has saved us over \$85,000 in productivity savings annually.”

Walter Rossmann, Former Director, Office of Management and Budget, City of Palo Alto, California

OpenBook

Build trust by being transparent and accountable.

- Showcase financial and non-financial data with interactive charts, tables and graphics with descriptive text, and informational pop-ups.
- Share data through all social channels, access via web and mobile.
- Engage with the council, staff, citizens and others in your community for better conversations about programs and services.
- Project Explorer visualization for Capital Budgets allows organizations to display on a map every infrastructure project, including the budget, actual spend, funding sources, and accompanying documentation, images, video, etc.
- Minimize data duplication/re-entry with seamless integration with Qwestica Budget.
- Integrates with Balancing Act's budget simulator tool to promote and support deeper two-way stakeholder consultation and engagement.

“The data (in OpenBook) that provides the most detailed information comes from Qwestica Budget. OpenBook is a straightforward way to graphically display our budget dollars, while only conveying information that the public wanted.”

Meridy Semones, Manager, Office of Management & Budget, The City of Largo, Florida
