VALO INTRANET CASE

Dexcom®

Dexcom is a rapidly growing company, which recently expanded operations in the US and international. This geographically distributed workforce required a digital workplace platform which would improve employee engagement and productivity.

> **Within four weeks, Valo Premium Partner Klarinet managed to implement an entirely branded intranet for Dexcom based on the award-winning Valo Intranet.**

Dexcom incorporated a feedback module into their ongoing employee user experience testing before and after launching Valo. Dexcom achieved a 25% reduction in the time it takes employees to complete common tasks on the new Valo intranet, 23% reduction in the number of clicks to complete the employee task, and finally a 305 % improvement in employee satisfaction.

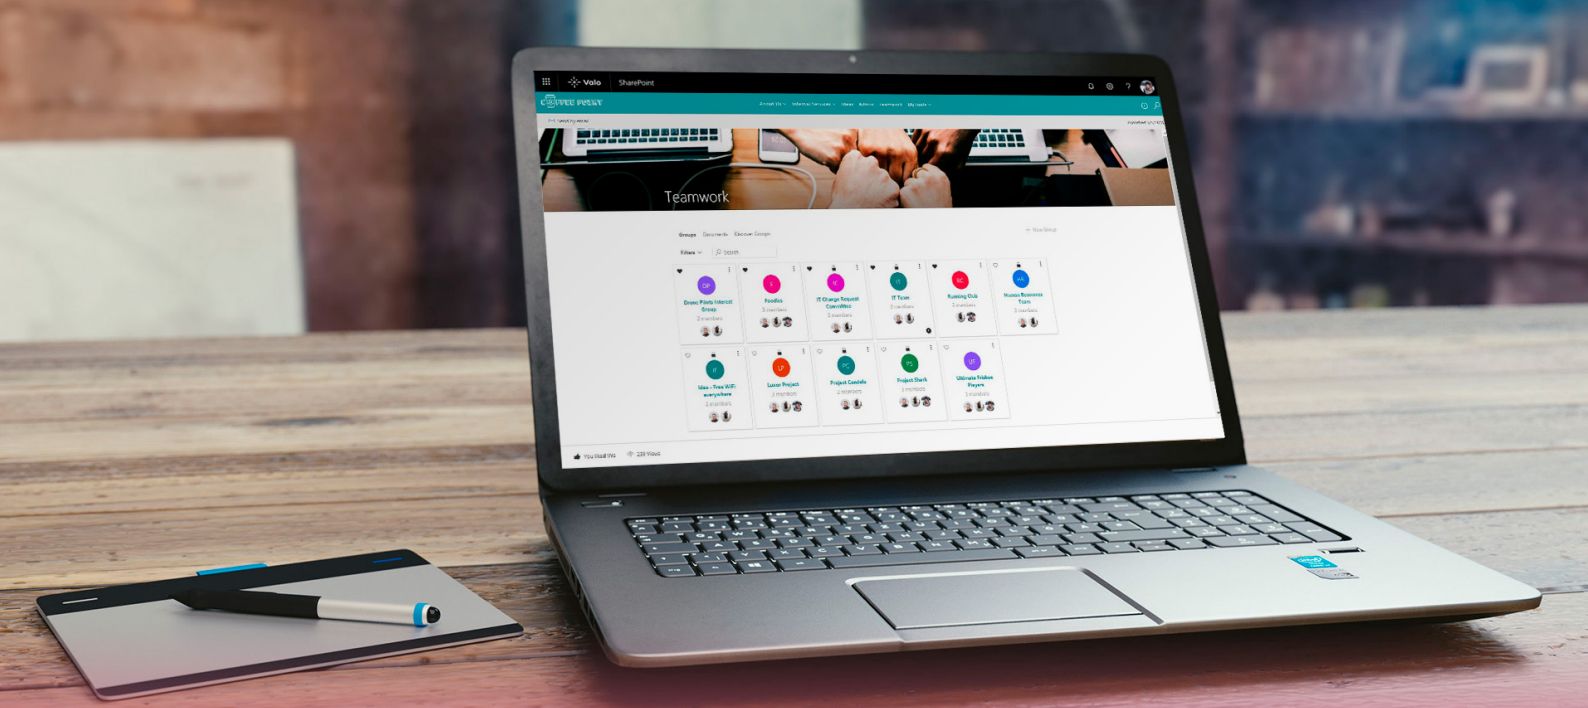

- **Industry: Medical Devices**
- **Country: United States**
- **Size: > 2000 users**

"Klarinet Solutions made the entire Valo Intranet implementation convenient for our internal Dexcom teams. Valo Intranet and their premium partner, Klarinet Solutions, were the key to a quick return-on-investment for Dexcom."
