

Your digital workplace made easy

SNAP 365 PROVIDES A UNIFIED PLACE FOR YOUR ORGANISATION TO START ITS DAY

Many organisations struggle to find a single, unified view of an ever-increasing amount of critical business information. SNAP 365 is the foundation for your digital workplace, deployed directly into your Office 365 tenancy to present your documents, news, social feeds and essential business features in an easy to use, visually attractive solution. SNAP 365 can typically be implemented within 12 weeks, so you're up and running faster, with less disruption and cost.

A unified Digital Workplace

- See recent documents, news and social feeds all in one attractive view
- Quick access to key resources and information
- Easily branded and configurable

Quick and simple

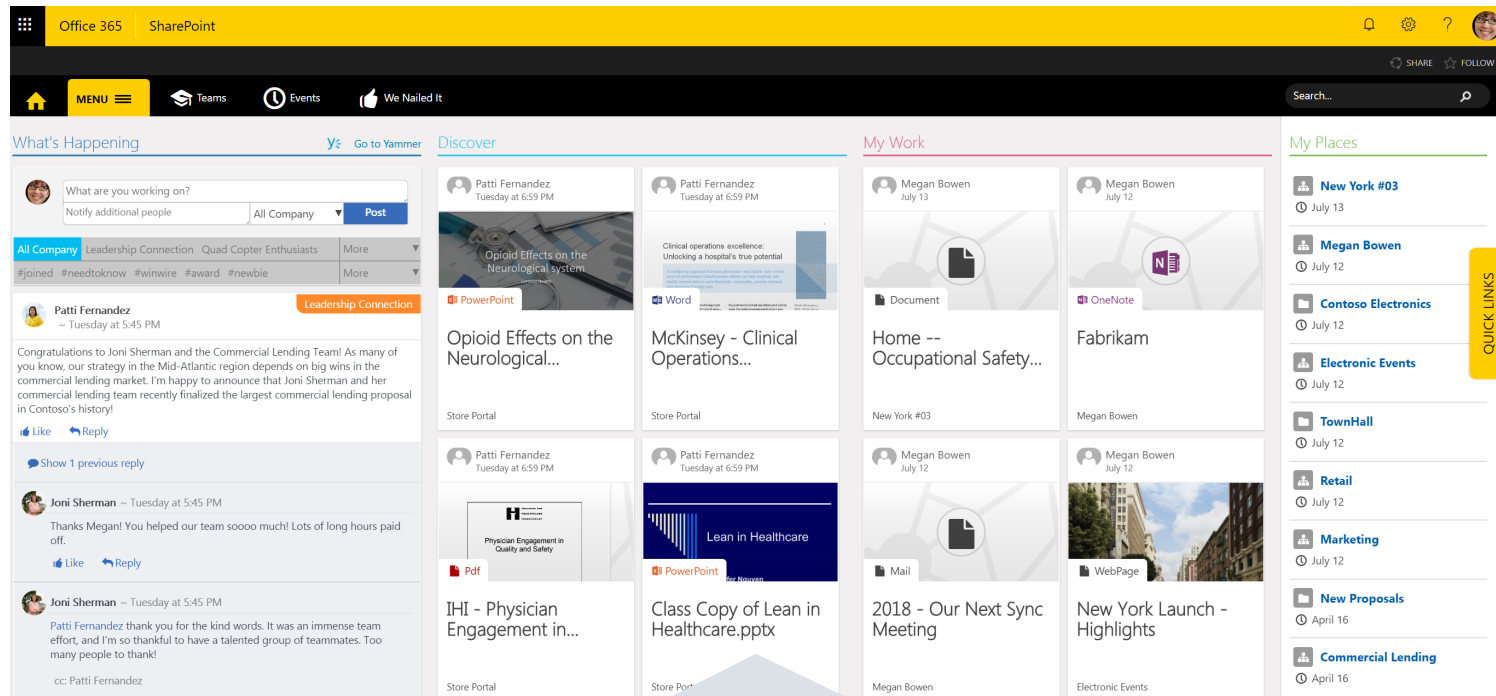

- Deployed in weeks not months
- Choose from 10 essential business features
- Requirements workshops and training included

Reduced costs

- Fully leverage your Office 365 licenses
- Fixed implementation fee
- No ongoing license costs
