

DISCOVERORG CONNECTOR MICROSOFT DYNAMICS EDITION

Get to decision makers faster with DiscoverOrg Connector – Microsoft Dynamics Edition. Let data drive your outreach and prioritize your day by pulling in the most accurate, robust B2B intelligence available right into Microsoft Dynamics. This powerful connector eliminates data entry — giving you more time to sell and market effectively using fresher, deeper data from DiscoverOrg.

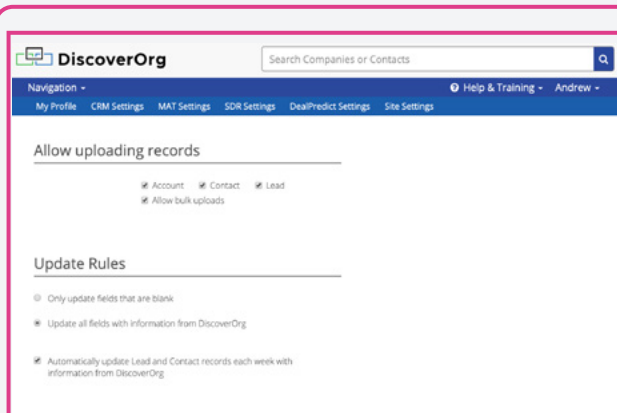

Add & Update Entries - Including Bulk Uploads

Select entries in DiscoverOrg and upload them individually or in bulk to your Microsoft Dynamics account, then pick up the phone. That's it.
