About us.

Pobuca Connect is a cloud app (desktop & mobile access) that turns your multiple, overlapping and non-connected business contact lists into one unified company address book, easy to access from everywhere and ready to share with co-workers or business associates. You will also get to meet the built-in Pobuca Bot, your very own virtual assistant, to help you keep business contacts up to date and within your reach at no time. [LEARN MORE >](#)
