- _ Easy-to-use online booking services
- _ SpeeXX tests online and via telephone
- _ Hassle-free integration into your talent, recruitment or learning management system

Quick Results

We take care of all the coaching, tracking and user support. The only thing we'll bother you with is results.

The SpeeXX Performance Center provides real time reports on all your KPIs with intuitive self-reporting tools.

Why We Chose SpeeXX ...

” We actually let our learners choose SpeeXX, which I think is really important. They compared a number of language training solutions and the overwhelming majority said they wanted to use SpeeXX. So ultimately, it was an easy decision for us - we just went with what our users wanted. ”

Richard Gregory, Head of U+ Rentokil
