Success

Parents and students felt that we had to many communication systems, including Remind, Dojo, Bloomz, Canvas, PowerSchool/School Messenger, and others. To help, we were asked to narrow it down. Our School chose Bloomz. //

## Connect

Create an engaged parent community with daily posts

-  Class Updates
-  Photo & Video Sharing
-  Announcements & Alerts

## Coordinate

Managing your classroom is simple using calendars

-  Calendar & Events
-  Volunteer Sign Ups
-  Parent Teacher Conferences

## Communicate

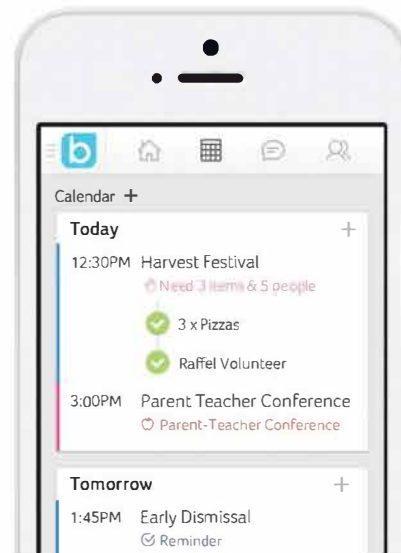

Never have parents ask again-  
“What is my child doing all day?”

-  2-way Messaging
-  Student Timelines
-  Behavior Tracking

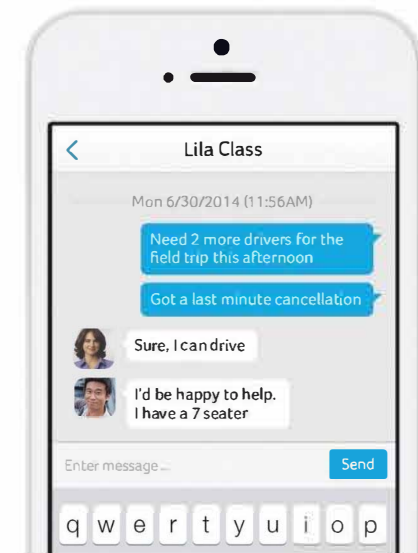

### bloomz Tips

- Post once a day to reduce your parent communication time
- Parents love getting real time pictures of their children at school
- Announcements are pinned to the top of parents' feeds
- Alerts ensure parents get urgent matters through pop-up notifications and email

### bloomz Tips

- Create an event, send invites, attach permission slips, and track RSVPs right through the app.
- Set up alerts so parents never miss a function or conference again!
- Schedule parent-teacher conferences including sign-up forms, lunch breaks and printing option.
- Allow parents to sign-up as volunteers, easily managing their schedule

### bloomz Tips

- Parents will receive email notifications, even if they don't sign up for an account
- Getting ahold of parents is easy and secure with 2-way messaging
- Build a portfolio of students' work and share with parents throughout the school year
- Reinforce your students' positive behavior while sharing notes and awards with parents
