# CitiusTech Integrated Cloud Suite (ICS)

ICS: Operations and Compliance Management for Azure

With growing interest and usage in cloud, healthcare organizations need to leverage multiple vendor solution in the cloud to manage their governance and HIPAA compliance. The complexity of various solutions limits the ability to implement a uniform practice and incur additional costs and a longer returns on investment

CitiusTech's Integrated Cloud Suite (ICS) is a one-stop solution that enables healthcare organizations to ensure HIPAA compliance, reduce complexity and drive effective cost optimization. ICS brings a variety of cloud management resources under a single umbrella and streamlines the management of Azure. It offers a unified platform to manage all siloed cloud subscriptions across the enterprise, mitigating risks and impact on the business.

ICS brings a variety of cloud operations and compliance resources under a single umbrella and streamlines hybrid and multi-cloud management

ICS: Benefits

- **Unified monitoring** of all resources - applications, platforms and infrastructure - across the cloud spectrum

- Ability to discover and act on **cost optimization opportunities** through integrated dashboards

- Adherence to **compliance and auditing** requirements for **HIPAA**

- Secure access, transmission and storage of healthcare data – **HIPAA** and **HITRUST certified**

- **Simplified provisioning and management** of cloud resources through a structured approach to **cloud governance**

- Access to CitiusTech's large team of **healthcare domain and regulatory experts**

CitiusTech Healthcare Cloud Services: Highlights

Significant experience in building and migrating (Lift & Shift) large enterprise healthcare applications to the cloud	Pool of cloud experts with a deep understanding of cloud transformation, platform set up, QA and managed services	Microsoft certified Gold Partner	Robust consulting framework - cloud assessment templates, platform benchmarking, ROI calculator, cost – benefit analysis, compliance review
