

As your company grows, **complexity will increase quickly**

THIS IS HAPPENING NOW

High-levels of **complexity** can be found in these areas:

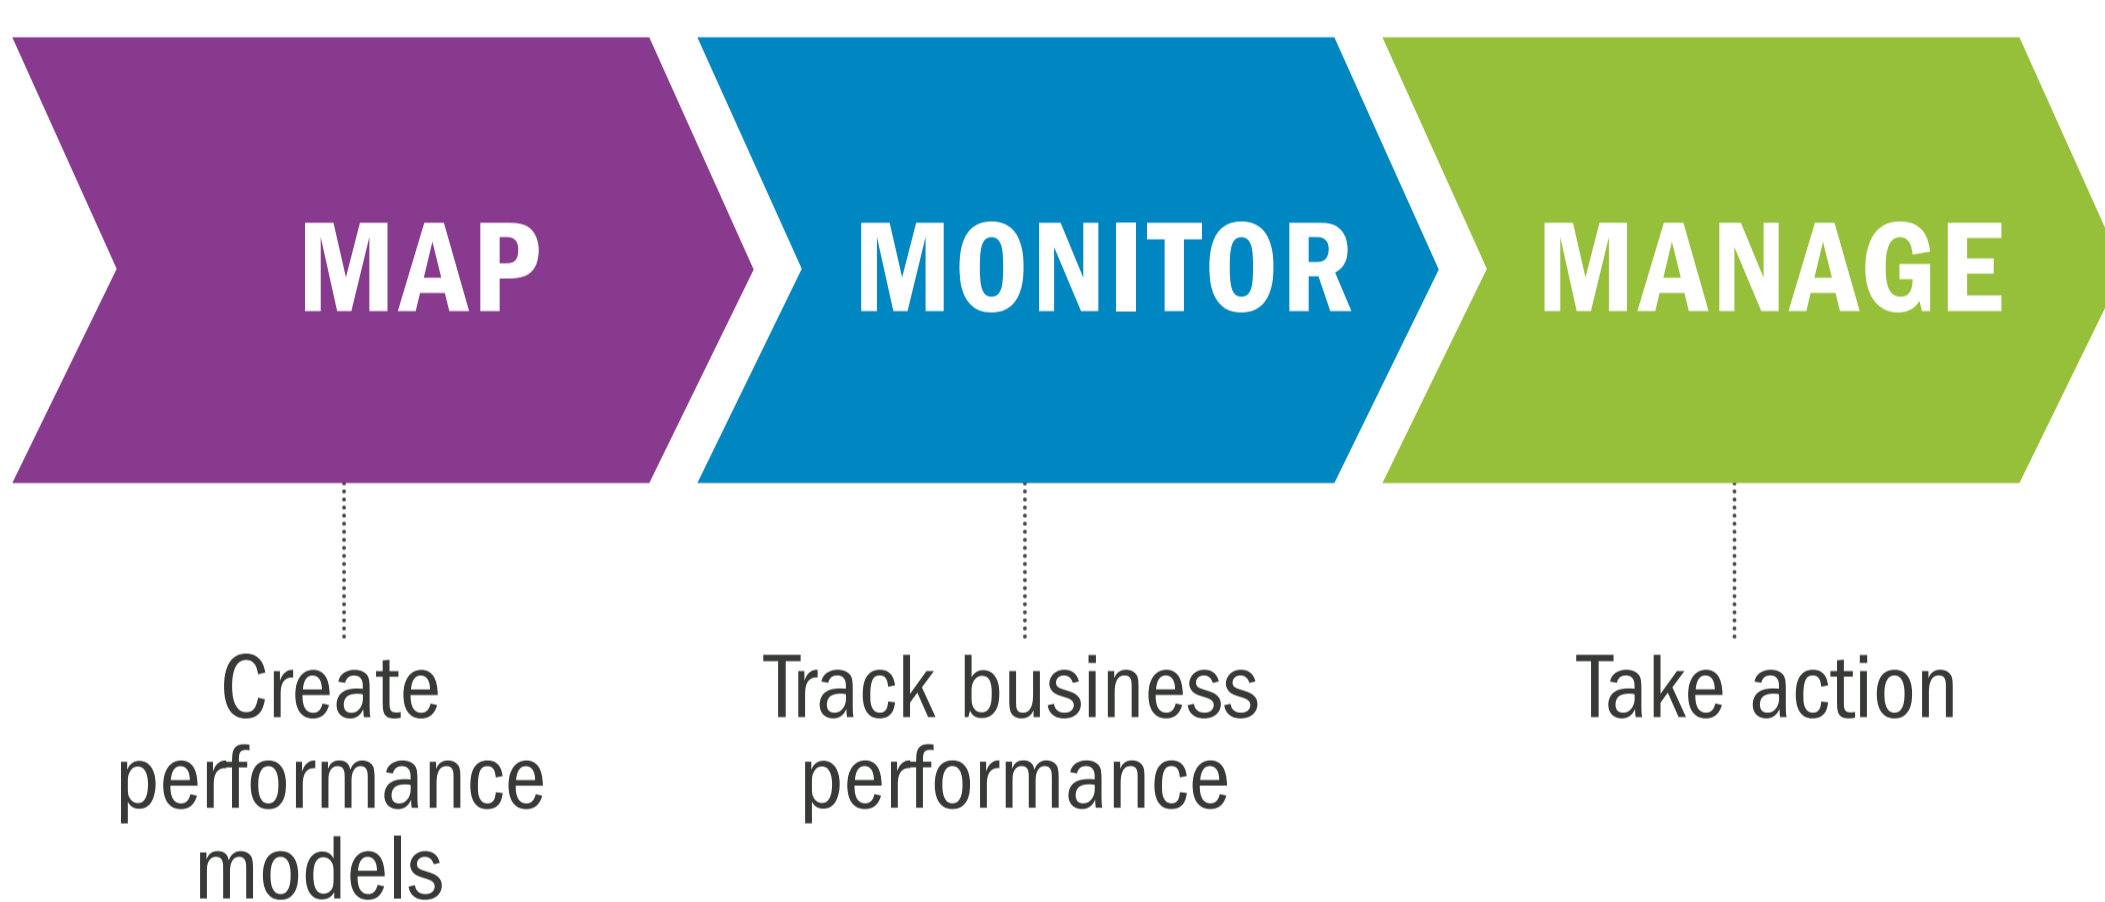

WHAT IS YOUR COMPANY'S STATUS?

- Are roles and responsibilities clearly defined?
- Are your costs under control?
- Are you meeting your production and service levels?
- Does your decision making process allow you to achieve your goals?

HOW DO YOU MAINTAIN CONTROL?

IFS EOI enables companies to **visualize, analyze** and **resolve business issues** in real time. Here's how:

WHAT'S NEXT? MAKE COMPLEX SIMPLE
