Leading brands to the market

Cosmo Nordic Ab is a growing cosmetic distributor company, operating in the Nordic countries, currently Finland and Sweden.

Cosmo Nordic's business grows fast and the old ERP system wasn't supporting the business. Cosmo Nordic Ab wanted an international solution that is scalable with the company's business needs.

- Mavisystems NAVcloud www.navcloud.fi
- Dynamics 365 Business Central

"By Mavisystem's NAVcloud service we were able to start lightly and we can grow without worries about the limitations ERP systems or the platform."

"Earlier we received hundreds of sales orders by email and they were created manually to old ERP. Now we get the sales orders digitally straight to the Dynamics NAV. This is pure saving"

"We don't have own IT person who could take care about our ERP system maintenance. Thanks to the Mavisystems NAVcloud we can focus to our business and rely that the ERP system which is critical to our business works."
