

Auto Asystemt

Mobile assistant of each driver

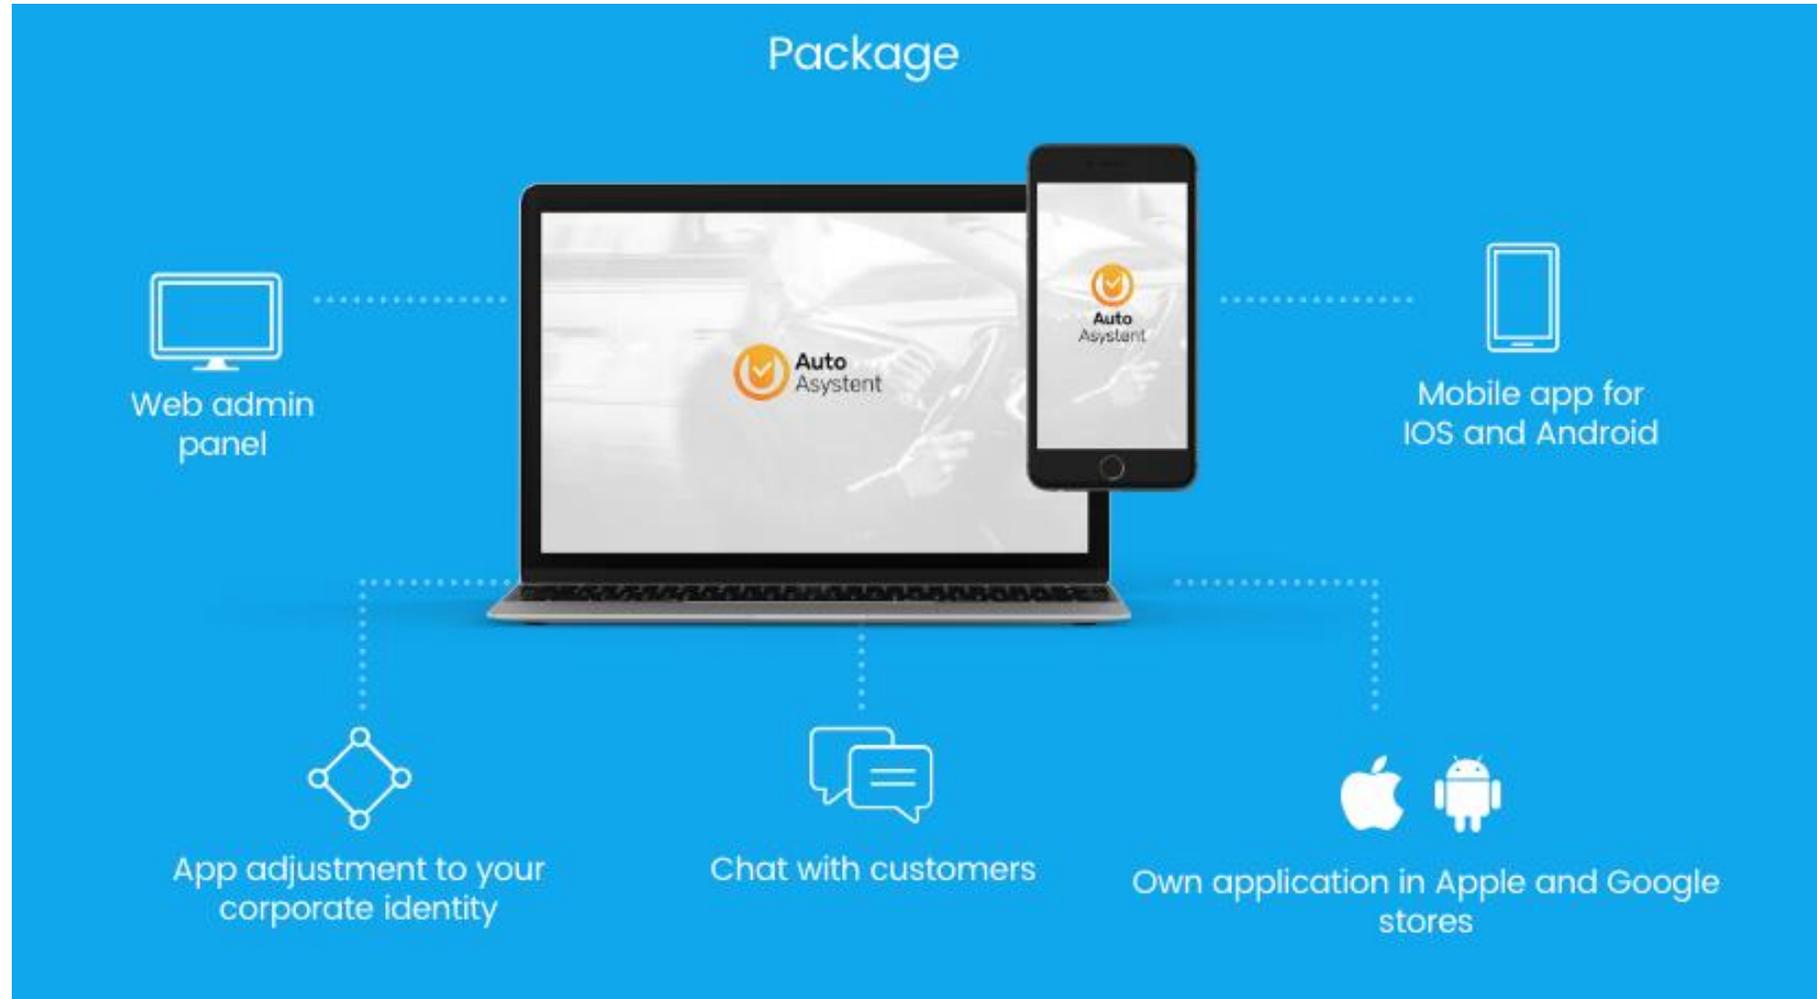

Dealer's problems

- I miss a modern tool to build a long-term relationship with the client
- I sometimes have unused service spots
- Promotions do not go to customers who need them most at the moment
- My clients choose other services for current repairs
- Customers do not insure cars through me
- Our offers are not well suited to clients due to poor knowledge of their needs
- I do not reach the customer with the offer of a new sale at the most appropriate time

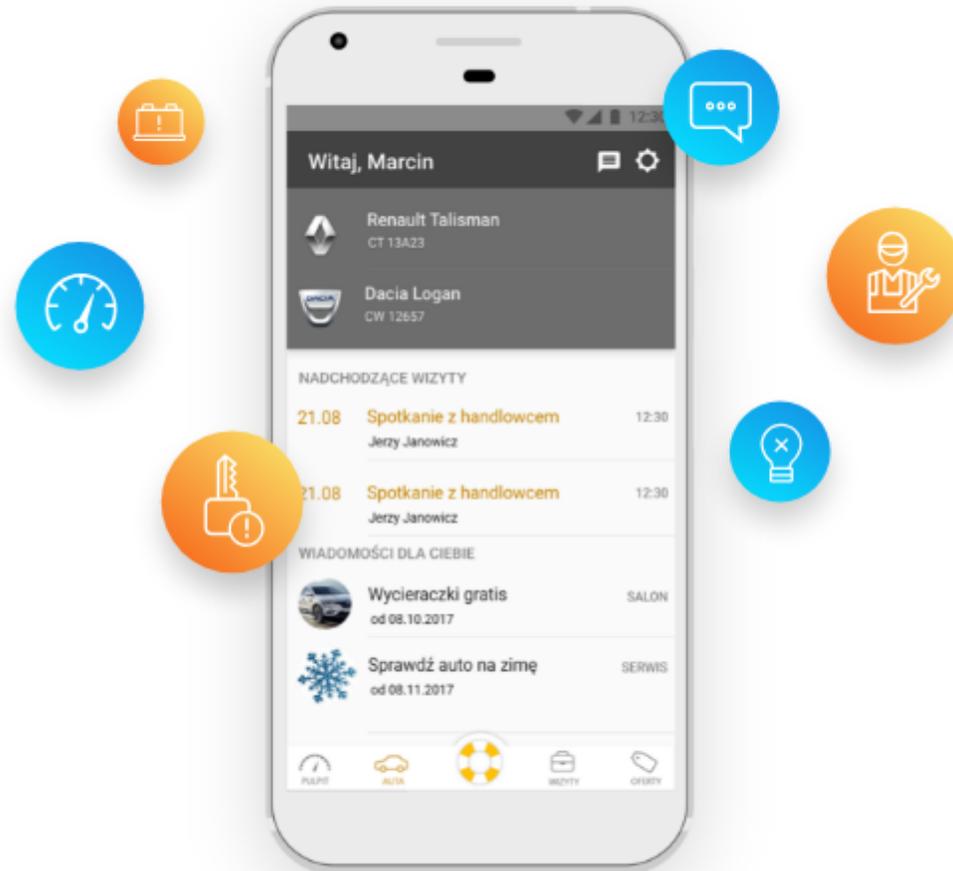

Driver's problems

- I forget about the necessity to perform periodic examination
- I forget about technical inspections of the car
- I do not prepare the car properly for the winter and summer season
- I do not know what to do in case of an accident
- I would like to simply track the costs of fuel consumption
- I would like to simply follow the costs of servicing the vehicle
- I do not know how to get help quickly in case of problems with the

Calendar for appointments, test drives, insurance - automatic notifications

The screenshot displays the 'Auto Asystent' web application interface. The top left features the logo and the text 'Auto Asystent'. The top right shows the user role 'Administrator'. A left sidebar contains a navigation menu with categories: SERWIS, JAZDA/SPOTKANIE, UBEZPIECZENIA, SAMOCHODY, PROMOCJE, FAQ, REGULAMIN, UŻYTKOWNICY, USTAWIENIA, and POMOC. The main content area is titled 'DASHBOARD > KALENDARZ' and shows a calendar for 'Dzień wolny' (Free Day) on '9 listopada 2017'. A search bar contains 'Anna Nowak, Marek Kowalski'. Below the search bar is a table with columns for 'Anna Nowak' and 'Marek Kowalski', each with a 'Nieczynne' checkbox. The table rows represent time slots from 00:00 to 09:00. To the right of the calendar is a list of appointments, each with a name, email, phone number, and time range. A yellow button labeled 'Zgłoszenia 17' is located in the top right of the calendar area.
