

A modern office interior with large windows, wooden floors, and a meeting table. The room features a long white table with black chairs, a green sofa, and blue armchairs. Large windows provide a view of a city street. The ceiling has exposed ductwork and a long light fixture. A purple banner is overlaid on the left side of the image.

# Meetingsbooker.com

There's a new way to manage  
your meetings spend

It's time to bring your meetings management online

# Automate your global meetings management

Meetingsbooker.com will transform how your company books venues and saves on meetings.

We have brought the booking and tracking of meeting spend from an offline labour intensive process to a fast online solution.

# Why use Meetingsbooker.com?

## Employees

### Before

-  Waste time phoning venues
-  Struggle to find new venues
-  Book with no approvals

### With Meetingsbooker.com

-  Book online in minutes
-  Find exciting new spaces
-  Easy approvals

## Travel Manager

-  Hard to enforce policy
-  Difficult to identify savings
-  Ad hoc reporting

-  Online solution
-  Easily drive and track savings
-  Efficient online reports

# How it works

## **Book small meetings online in minutes**

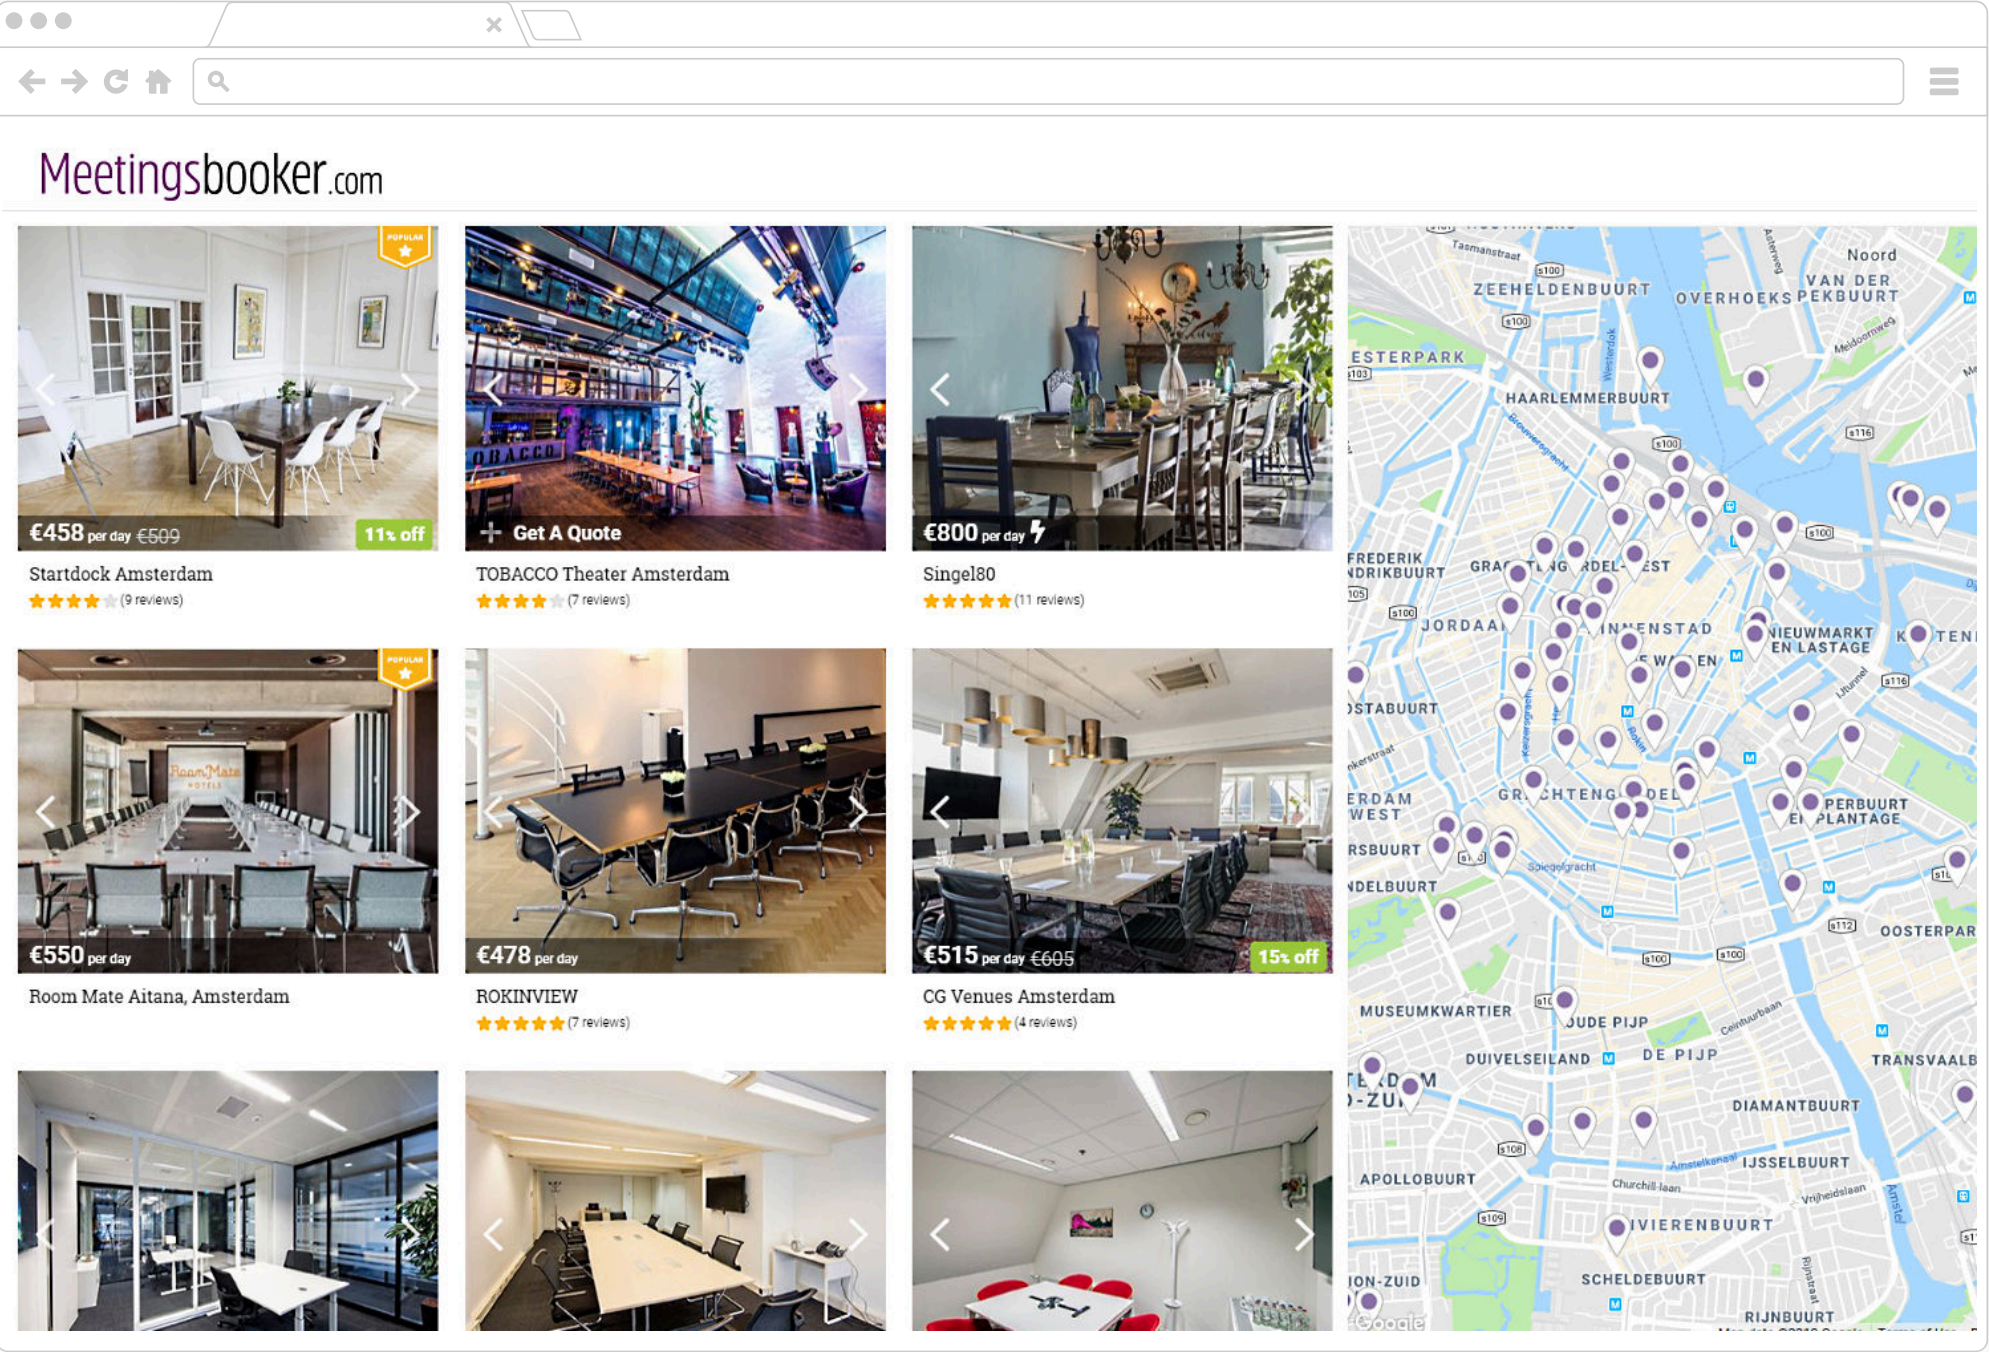

Automated booking tool includes meeting room, equipment and catering options. Ideal for smaller meetings.

## **Fast RFP tool for larger events**

If you organise larger conferences or meetings with group accommodation, send the request to multiple venues and let them compete to host your event.

# Easy online bookings for small meetings

Fastest way to book small meetings

-  Compare venues
-  Access offers
-  Pick venue
-  Book room & extras

# Fast RFP system for events/accommodation

Venues compete for your conference
