

BENEFITS OF PERSIMMONY

- 1. CREATES NEW REVENUE STREAMS**
Adopt TCM as a funding source and receive additional revenue up to 50% of the cost of the programs.
- 2. SAVES MONEY**
Multiple databases are no longer needed when Persimmony is the sole software.
- 3. REDUCES EXPENSES AND IS ECO FRIENDLY**
Online document management capabilities streamline your workflow, reducing paper waste and costly printer supplies.
- 4. MULTIPLE PROGRAM BENEFITS**
With multiple programs utilizing Persimmony, reports are available to program administration staff and management, providing a comprehensive view of the data at the entire county level.
- 5. ELIMINATES DUPLICATION ACROSS PROGRAMS**
By using the Persimmony software on all programs, case managers immediately know if another department/program is already providing services to a client.
- 6. MORE EFFICIENT USE OF CLERICAL TIME**
Automated billing allows administrative staff to be more efficient and eliminate manual data entry errors.
- 7. REDUCES RISK FOR HIPAA VIOLATIONS**
The online system eliminates the need for paper documents, reducing the potential for legal liability associated with loss of personal and private data.
- 8. IMPROVES QUALITY OF CLIENT CARE**
The streamlined assessment set up enables in-depth reviews resulting in more detailed, comprehensive care.
- 9. ENHANCES PROGRAM OVERSIGHT**
Robust reporting capabilities provide comprehensive reports for budgeting, TCM and internal compliance.
- 10. MORE CONSISTENT CLIENT EDUCATION**
Teaching points and updates can be easily added, increasing consistency of client teaching.
- 11. SUPPORT FOR TCM SITE VISITS**
Persimmony provides support before and during the audit. Auditors have access to a dedicated site with information specific to them.
- 12. STREAMLINES CLIENT REFERRALS**
Outside agencies are able to submit referrals directly into Persimmony, saving time and expediting the process.
