

# Unified Classroom™ Gradebook

GRADING THAT FITS YOUR LIFE

Part of the award-winning PowerSchool Unified Classroom™ solution, Unified Classroom Gradebook saves teachers time with an intuitive and powerful gradebook they can use anywhere, from any device. **Grade faster, simplify progress reporting, and keep families informed** with a **flexible** and **easy-to-use** grading product that **unifies your classroom**.

## Grade Faster With Easy to Use Tools

Reduce calculation time with a user-friendly interface.

## Adjust Grading to Fit Your Needs

Ensure scores reflect student mastery with the freedom to use professional judgement.

## Simplify Progress Reports

Track your students' understanding of standards and skills with visual reports.

## Keep All Classroom Tools in One Place

Unify your classroom with a gradebook that's compatible with the rest of your classroom tools.

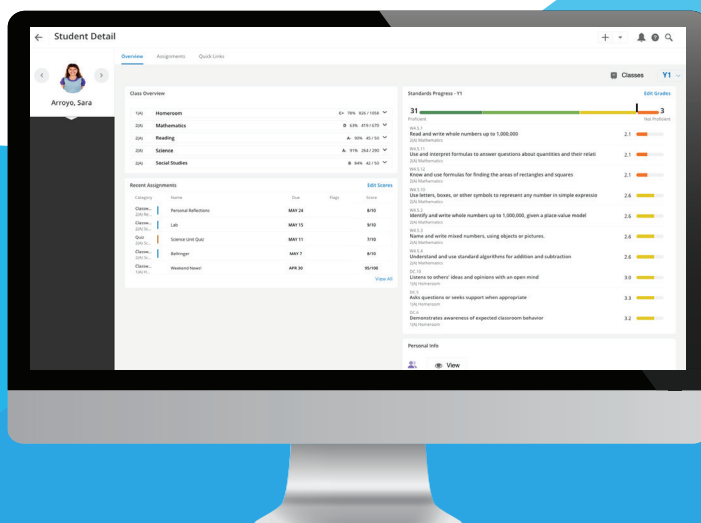

## Keep Families Informed

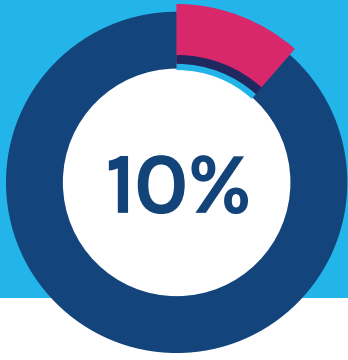

Give families access to real-time insights into student progress—anywhere, anytime.

“Our previous grading system was so cumbersome for teachers, but with PowerSchool, they can **grade and make notes right in the system from anywhere and at any time.**”

ANDY SCOTT

Technology Coordinator, Rochester City School, NY

Interviewed customers experienced **significant productivity savings for teachers** across the suite of products of well over 10%.

## Students

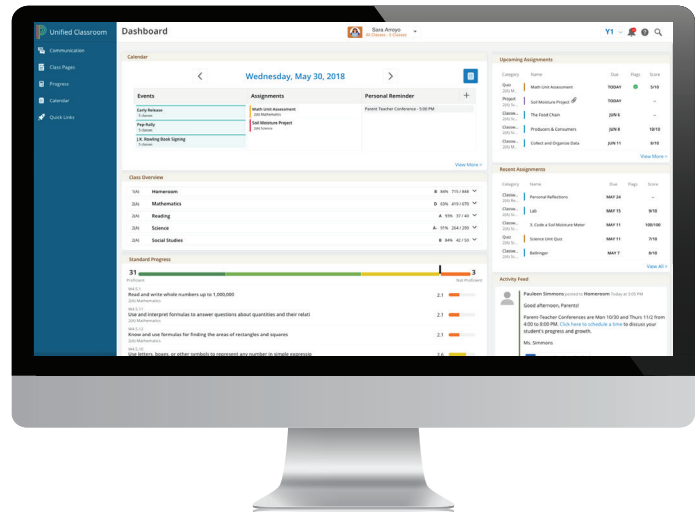

Give teachers a visual overview of their students—with attendance, grades, discipline, standards progression, and personal information.

Grades reflect student mastery with professional judgement indicator.

## Grading

Enter scores easily, with quick-fill technology that works for both traditional and standards-based grading.

See grades and standards progress at a glance.

## Reports

Prepare final grades, progress reports, and report cards that can be printed or emailed to parents.

## Progress

Implement and track student mastery interventions with curriculum-based measurement, student assistance teams, and progress monitoring.

**Simplify grading, inform families, impact students—  
with Unified Classroom Gradebook!**
