Communications

Connect Every Worker

StaffCircle simplifies Communications with your remote Workers to improve engagement and feedback. Remove the digital divide and create a consistent and universal communication experience for your valued Workforce. Digitise sentiment, awards, communication, training, ideas, tasks, holidays and directory and delivers it to staff via the smartphone in their pocket.

- Available on desktop and mobile devices no download required
- Rich content editor to create diverse articles
- Quick alerts for immediate and important messages
- Notifications via SMS, Email, Push and In-app

- 2-way communications allowing employee voice to be heard
- Confirm communication content has been read and by whom
- Directable and personalised articles to improve engagement
- Accessible without company email address

StaffCircle will achieve 80%+ engagement levels on disconnected workers

"StaffCircle provides our business with an internal communications system which connects all our employees, desk and non-desk based, improving communications across the entire organisation."

Nik Wood, Operations Director, Procomm Site Services

Performance Management

Drive Better Performance

Effective people management a fundamental part of engaging employees. Lack of clarity, lack of support and poor line management all create barriers to engagement. StaffCircle allows you to better manage and visualise team objectives and review performance of Desk and non-Desk based workers

StaffCircle can deliver 50% improvement in Performance Review completions

Why StaffCircle?

Engaging remote employees is increasingly challenging in digital connected workplaces. Companies are forced to think of new ways to better to engage, communicate and manage a disparate workforce that is not connected online. StaffCircle gives companies a new way to engage and communicate with remote workers through their personal mobile devices.
