

SOLUTIONS FOR HIGH SCHOOL AND HIGHER EDUCATION

UNLEASH THE LEARNING POWER

WE ARE PASIONATE ABOUT THE LEARNING RESULTS

A young man with brown hair, wearing a blue and white plaid shirt, is focused on working on a robotic arm. He is using a pair of tweezers to adjust a small component on the arm. The arm is mounted on a metal frame and has a multi-colored ribbon cable connected to it. In the background, there are several computer monitors and other lab equipment, suggesting a technical or engineering environment. The text "INCREASE EMPLOYABILITY RATES" is overlaid on the right side of the image in a bold, white, sans-serif font.

**INCREASE
EMPLOYABILITY RATES**

REDUCE DESERTATION

A person is seen from the side, focused on a laptop screen. On the desk next to the laptop is a white coffee cup with the 'territorium' logo. The laptop screen displays a web application with a blue header and various menu items. The overall scene is bathed in a blue light, creating a professional and tech-oriented atmosphere.

EMPLOYMENT LINKAGE

- Job Market where companies can describe required competencies.
- Recommendations of courses or plans to take to comply with the requested by the company.
- Certified Curricula and visualization of evidences of the competencies developed by the students.
- Automatic Filter for companies according to competencys.

CONNECTION WITH THE BEST JOB BOARDS

- The System reads the competencies required by the labor market to give recommendations for students, teachers and directors.
- Connection with LinkedIn and job boards.
-

- Territorium generates a competency profile that requests the Job Offer.
- Based on the skill profile of the Job Offer and student profile, the platform recommends courses and learning experiences to make them more employable.

- Route of learning experiences to develop the required competencies.
- Can be integrated with other content providers such as EDX, Udemy, Coursera and free content providers to recommend to students courses that can complement them to improve their skills.

THOUSANDS OF COURSES AND TITLES OF PRESTIGIOUS UNIVERSITIES FOR YOUR STUDENTS

- EDX Integration: Global platform of prestigious university courses.
- It Is possible to set contents of these universities based on required curriculum.

The banner features the EDX logo on the left, followed by the text "Take great courses from the world's best universities". Below this is a blue button with the text "Find a Course & Start Learning". On the right side, there is a decorative graphic of blue and green leaves. At the bottom, the logos for MIT (Massachusetts Institute of Technology) and Harvard University are displayed.

REDUCE DESERTION

Results:

- Reduction of dropout rate.
-
- Tutoring in real time and analysis of students ' information.
-

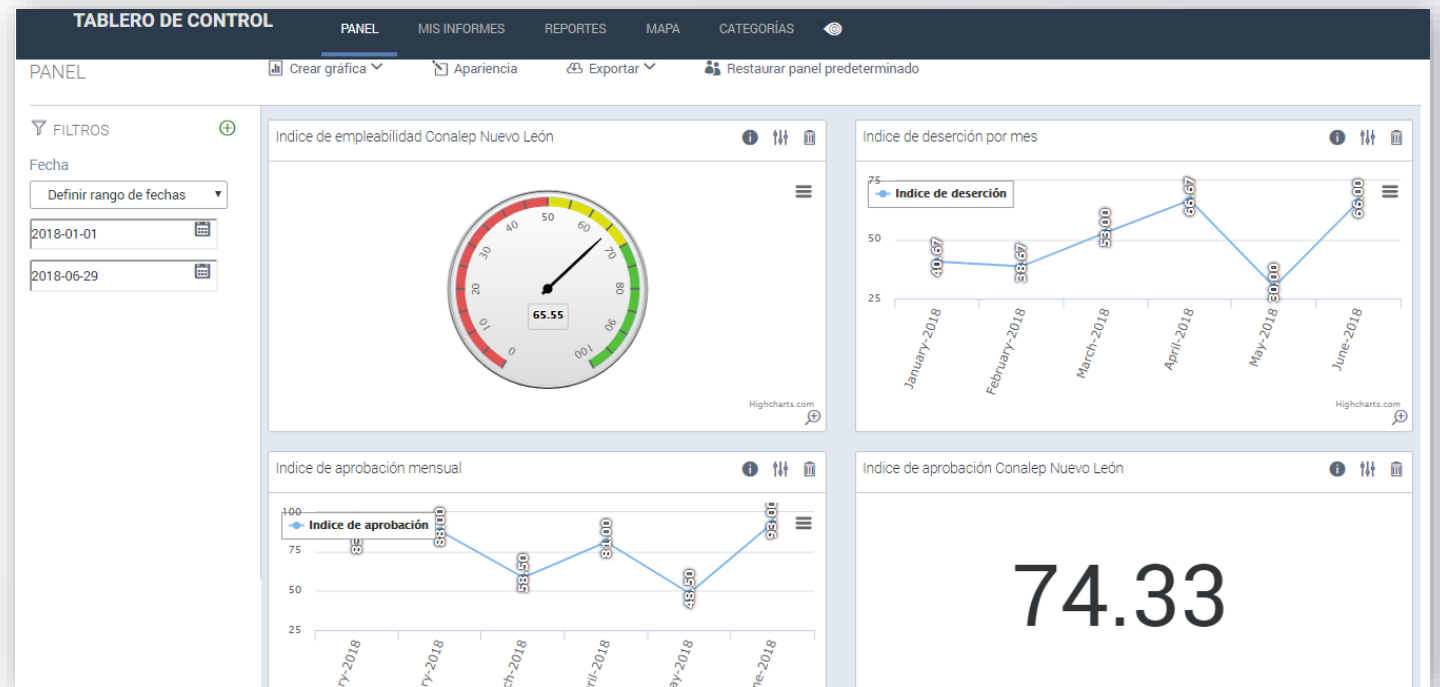

Description:

The complete modules of the Territorium platform were implemented to notify the coordinators and tutors when a student is at risk of desertation and gives him punctual follow-up to prevent it, as well as all the tools of job positioning.

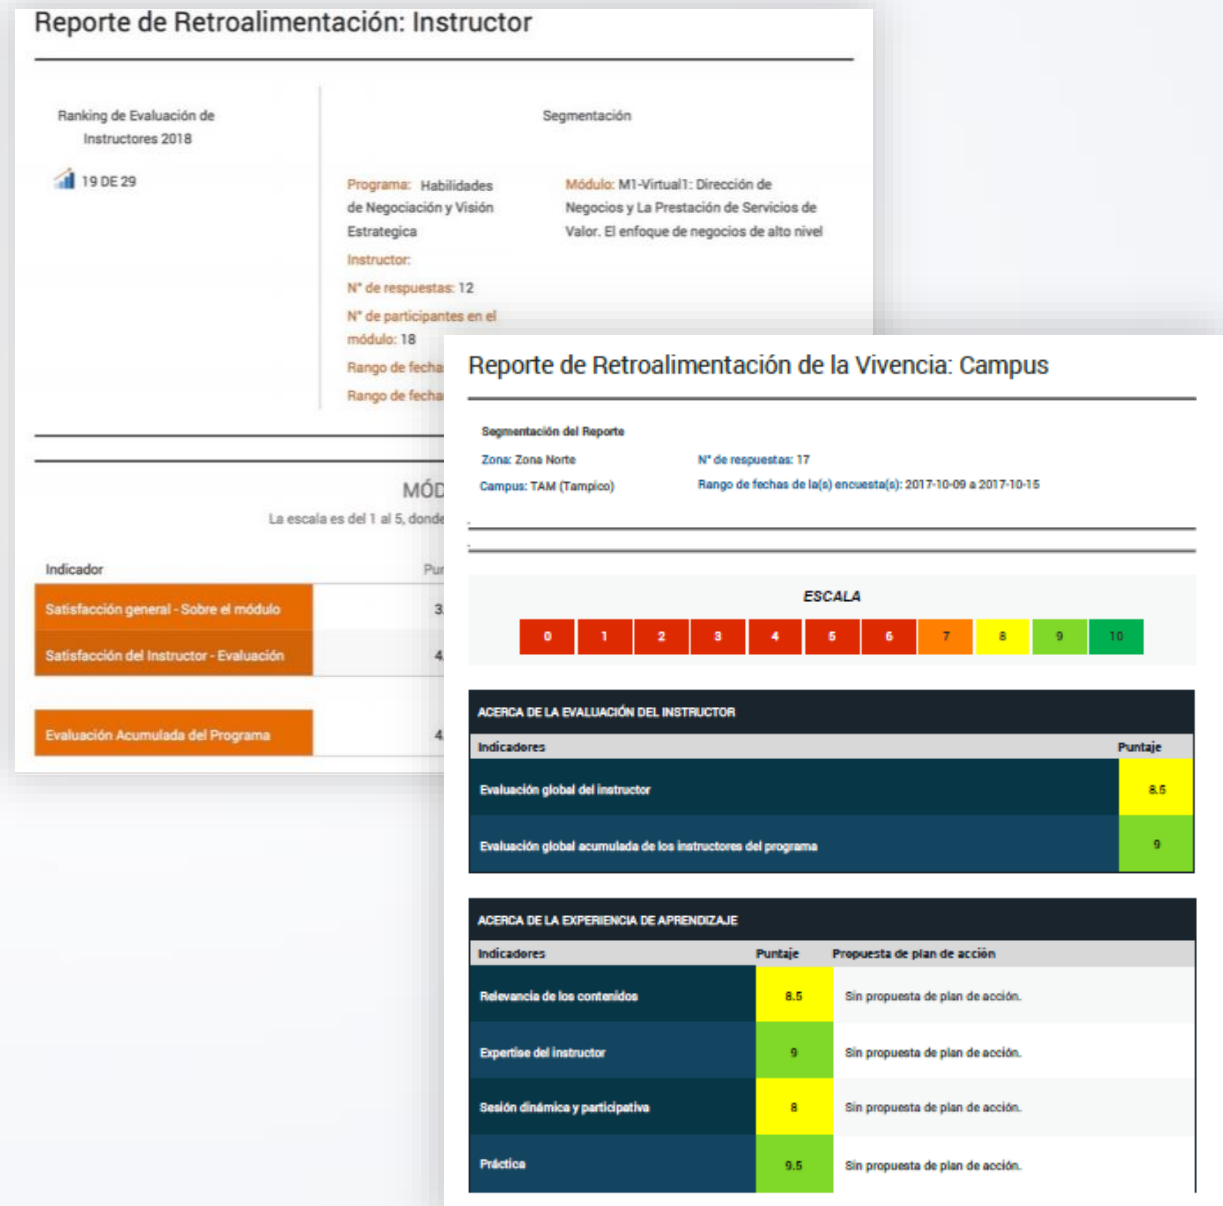

METRICS AND ALERTS ON REAL TIME

- Dashboard to check metrics, ranging from progress in a competition, curriculum to assistance, delivering tasks and activities.
- Alert teachers, parents and guardians when a student is at risk. Set up the risk factors and semaphores that allow to analyze when a student may fail or leave the institution.

TEACHING EVALUATION

- Get various automated indicators of the platform such as execution of the course curriculum, activities carried out, time of answer to students.
- Allow students to obtain student satisfaction based on specialized surveys.
- Automatic Report by teacher and fully configurable dashboard with your evaluation by category, ranking and recommendations to improve.

A person is seen from the side, focused on a laptop screen. On the desk next to the laptop is a white coffee cup with the 'territorium' logo. The laptop screen displays a web application with a sidebar menu containing items like 'Inicio', 'Cursos', 'Calificaciones', 'Wix', 'Módulos', 'Directorio', and 'Colección'. The main content area shows a post by 'Alfonso Vázquez' with a profile picture and some text. The entire image has a blue tint.

- ✓ Training of 100K teachers at the nation-wide in soft skills (human relations, leadership, communication, etc.)
- ✓ “Train the trainers” for teachers to replicate with their students in the framework of the new educational model.

UANL

UNIVERSIDAD AUTÓNOMA DE NUEVO LEÓN®

The prestigious statal unversity was able to:

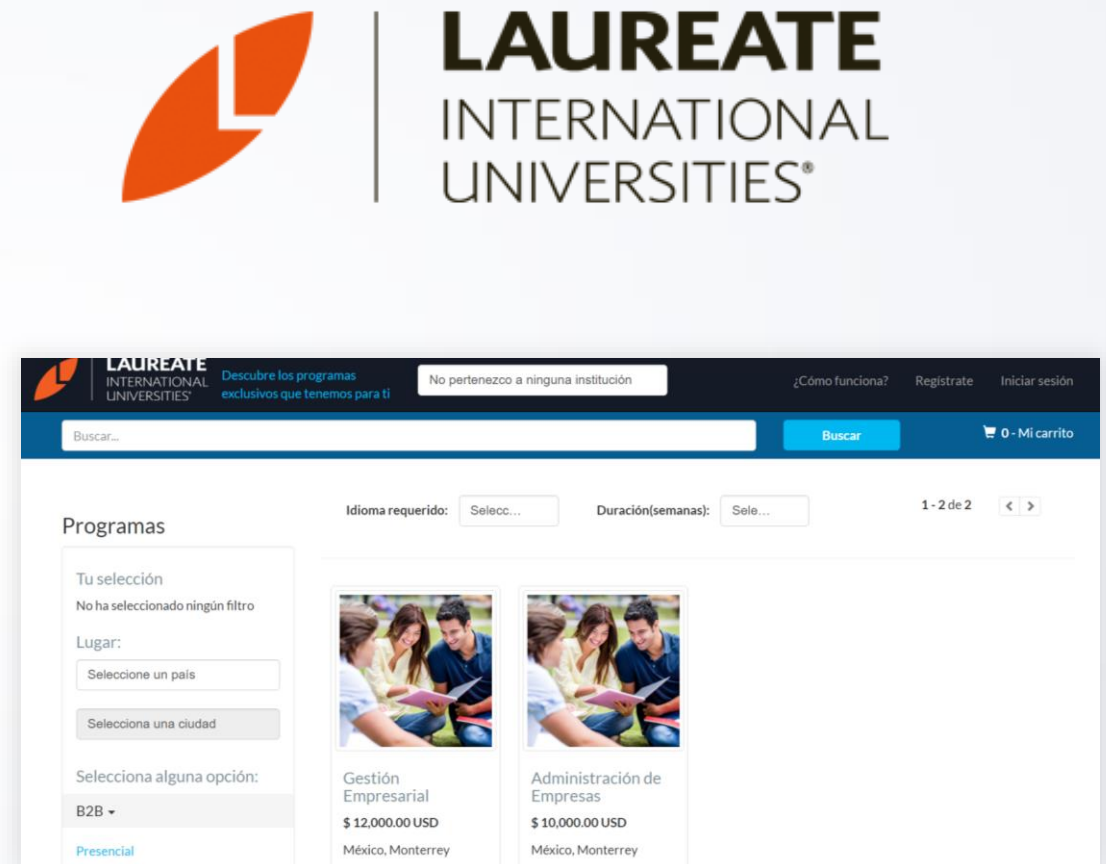

- ✓ Engage students in online learning therefore reduce their dropout rates in distance learning.
- ✓ Have more classes than classroom students to take online in order to accept more students.
- ✓ Demonstrate to international certifiers competencies developed by their students.

Results:

- Increase in sales of online education programs.
- Student Interest Analysis and customized course recommendations.
- Increased retention and repurchase of online education courses.

Description:

The platform and the Territorium Marketplace were implemented to recommend courses to students and also take the whole record of activities and follow-up to them.

- Manage content for students.
- Answer online exams to set exercises.
- Assign and evaluate tasks and activities of practice.

PROJECT-BASED LEARNING

COMPETENCY-BASED LEARNING

- Students can propose projects to solve a problem related to the subjects they take in a transversal way.
- Students will be able to solve issues related to a subject.
- Manage team projects.
- Online evaluate online and load evidence of the challenge progress.
- Make the challenge fun with Gamification and ranking points tables.

The screenshot displays the Territorium platform interface. At the top, a user profile for Guillermo Elizondo is shown with a profile picture of Iron Man, a button to 'Editar imagen', and a job title 'Director General'. To the right, there are tabs for 'Actividad reciente', 'Grupos', and 'Medallas', with a total score of 'Puntos: 1690'. Below the profile, there are four medal categories: 'Medalla Newbee' (Acumular 15 puntos), 'Medalla Mentor' (Acumular 50 puntos), 'Medalla Eminencia' (Acumular 100 puntos), and another 'Medalla Newbee' (Acumular 15 puntos). The bottom section shows a search bar and a sidebar with navigation options: 'Tablero General', 'Tablero Personal', and 'Regresar'. The main content area displays a group selection dropdown set to '(Ciclo Escolar 2018-2019) - Biología' and a search bar 'Buscar por nombre'. Below this is a table with the following data:

#	Foto	Nombre	Puntos
1		Guillermo Elizondo	40
2		Hans Gunther	30
3		Laura Martínez	10
4		Mónica Rosales	0
5		Norma Olalde	0
6		Tomás Huerta	0
7		Nelly Andrade	0

METRICS AND ALERTS ON REAL TIME

- Dashboard to check metrics, ranging from progress in a competition, curriculum to assistance, delivering tasks and activities.
- Alert teachers, parents and guardians when a student is at risk. Set up the risk factors and semaphores that allow to analyze when a student may fail or leave the institution.

EVALUATION AND SATISFACTION

- Generate surveys to rate student satisfaction about their teachers and the institution.
- Generation of automatic reports with action plans for teachers and the institution.
-

The screenshot shows a web-based survey interface. At the top, there is a dark blue header with a search bar labeled 'Buscar...', navigation icons (home, mail), and a user profile for 'Yaresi Saavedra'. Below the header, the main content area has a title 'Encuesta Conformidades' and a subtitle 'Encuesta sobre la nueva plataforma y su manejo.'.

The survey is divided into sections. The first section is titled 'Seccion 1' and contains the instruction 'Lee atentamente cada pregunta y contesta según tus opiniones.'.

Below this, there are three questions:

- Pregunta 1:** '¿Qué opinas de la nueva plataforma?'. The response is a text box containing 'Me gusta mucho porque es una herramienta más sencilla, práctica y muy innovadora.'
- Pregunta 2:** '¿Has presentado dificultades con el manejo de la plataforma?'. The response is a radio button selection with 'Si' and 'No' options. 'No' is selected.
- Pregunta 3:** '¿Qué es lo que más te gusta de la nueva plataforma?'. The response is an empty text box.
