# Our Company

Evincible Solutions is a leading software solution provider and a business process consulting firm dedicated exclusively towards Microsoft Dynamics Products and support services.

Founded in 2005 by a group of highly skilled individuals, Evincible Solutions is international in scope, and represents an organization of committed professionals who have served at key positions in different top notch organizations across the globe. We are now a promising IT solution provider with strong emphasis on customer needs, providing them with IT solutions that not only cater to their current needs but are also designed to handle future enhancements.

## A Digital Agency

We provide creative, strategic and technical development of technology -based products and services.

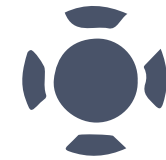

## Forward Thinking

We are a proactive, demand-driven, facilitative organisation providing technology solutions.

## Problem Solvers

The harder the problem, the more we enjoy solving it. We are great problem solvers our joy is solving your issues.

## Customer Support

We provide excellent service in terms of quality of work, timely delivery, professional behavior and value for money.

### Success

We believe that our success comes from comprehensive need analysis, transparent solution delivery process and through competent resources that have strong experience with the latest products and technologies. We partner with international companies for which we provide software outsourcing services as well.

### Strength

COMMITMENT is the word we are known for; we believe in Client Satisfaction, solution reliability and persistence. With a norm of high standard of service to our clients and a team of esteemed professionals we get differentiated among the best. We comprehend our clients' business and serve with a touch of personalization. We help enterprises explore vital OPPORTUNITIES, initiate and sustain GROWTH, and maximize Revenue.

### Mission

Our mission is to equip our clients with effective business solutions which proficiently attract, engage and delight their customers. We operate with a strong sense of community that we need to make our nation a better place.

### Vision

To deliver the highest quality, effectual and cost effective software solutions and services to our clients and communities anytime, anywhere in the world.

### Experience

We have planned, designed, developed and implemented solutions that not only meet our client needs, but also exceed their expectations. We have an outstanding track record for delivering complex, high-quality software products with economy and of course to the complete satisfaction of our client. We have experienced consultants with a track record of creating "The best practice solutions" for clients in Kingdom of Saudi Arabia, Canada, Haiti, Pakistan, Sierra Leone, Singapore, UAE, UK, USA and Australia. We are a small enough organization to offer personalized services yet large enough to deliver enterprise solutions.

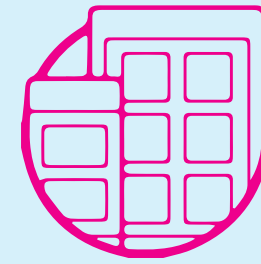

# What We Do

Evincible Solutions is a leading software reseller, development and implementation expert and a business process consulting firm dedicated exclusively towards Microsoft Dynamics Products and supported services.

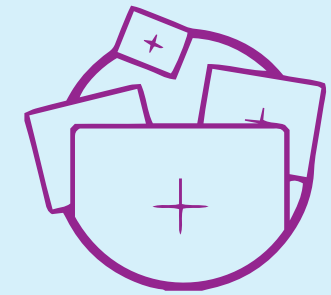

## Business & IT Consultancy

It's time for every business to become digital. We at Evincible Solutions help you recognize and prioritize your needs on the way to becoming a Digital Enterprise.

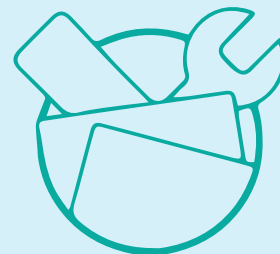

## MS Dynamics Applications Implementation

We assist in mapping your business process on the ideal out of the box MS Dynamics application (s) and take your productivity to another level!

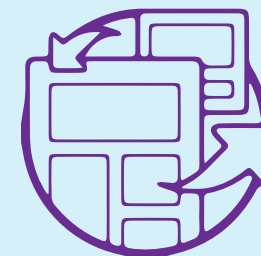

## MS Dynamics Applications Customization

We expertise in customizing MS Dynamics out of the box applications to meet your business requirements. We have tons of such Add-Ons readily available for your use.

## Bespoke Software Development

We understand that no one business is identical to another and their software needs are different too. We deliver efficient and cost effective tailor made software solutions to work the way your business works.

## Training & Support Services

We are experts at fashioning learning events tailored to meet the unique needs of each audience. We conduct Microsoft-approved classroom style training with our proven methods & instructors at communicating technology changes to our users.

## Systems Integration

Our Systems Integration (SI) Engineers transform your multiple individually running applications into one streamlined and optimally-functional entity.

We are DIFFERENTIATED by a commitment to service that underpins THE SUCCESS of all our projects and the satisfaction of our client base. Most importantly, EVINCIBLE SOLUTIONS is differentiated by our people. It is not only the choice of solution that will make your project SUCCESSFUL It is the people who will design and deliver it, who will support it and who will be working with you now and in the future

### IES Solutions, USA

We have been fortunate in having Evincible Solutions as our associate in implementing Microsoft Dynamics Great Plains & CRM since 2005 and I assure you that this alliance has been terrific in terms of timely project completion, understanding our clients business and 24/7 support. I won't be hesitant in recommending them. **Saeid Marzban, M.D. Internet eBusiness Solutions Florida U.S.A.**

# Evincible Human Capital Management (eHCM)

Evincible Human Capital Management (eHCM) is a cloud based Human Capital Management System. The primary focus of Evincible Human Capital Management (eHCM) is to attract, hire and hone individual employees, thereby building an optimal workforce for an organization's needs. Evincible Human Capital Management (eHCM) has evolved from a small HR & payroll solution into a world-class product which is mainly known for its flexibility and integration with Microsoft Dynamics EPR solutions. Evincible Human Capital Management (eHCM) provides human resource managers with the means to clearly communicate and define performance expectations and goals, and support continuous improvement for each employee.

## MAQNA Industrial Group, KSA

Evincible Solutions' eHCM is intuitive, easy to use and effective for managing the human resource of any organization. eHCM has been a terrific system for our company as it is very user friendly and employees can be trained on how to use the system within a day. We really appreciate the flexibility built into eHCM as it means we don't have to change our procedures to match the software, we can configure the software to work to our advantage. And we got everything we wanted in eHCM, at surprisingly low costs!

A critical part of the success of this project was Evincible Solutions' ability to quickly understand our needs and translate those needs into the solution. **Khaled Al Fawaz, General Manager,**

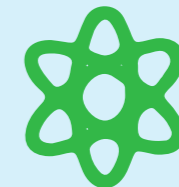

**MOQNA Industrial Group, KSA**

## Customizable

eHCM is developed using latest technology & is easily customizable allowing companies to stick to their policies and procedures.

## Dynamic Workflows

eHCM is equipped with dynamic workflows architecture & offers more than predefined requests.

## Integrated with ERP

This world-class Human Resource Management product is mainly known for its flexibility and integration with Microsoft Dynamics ERP solutions.

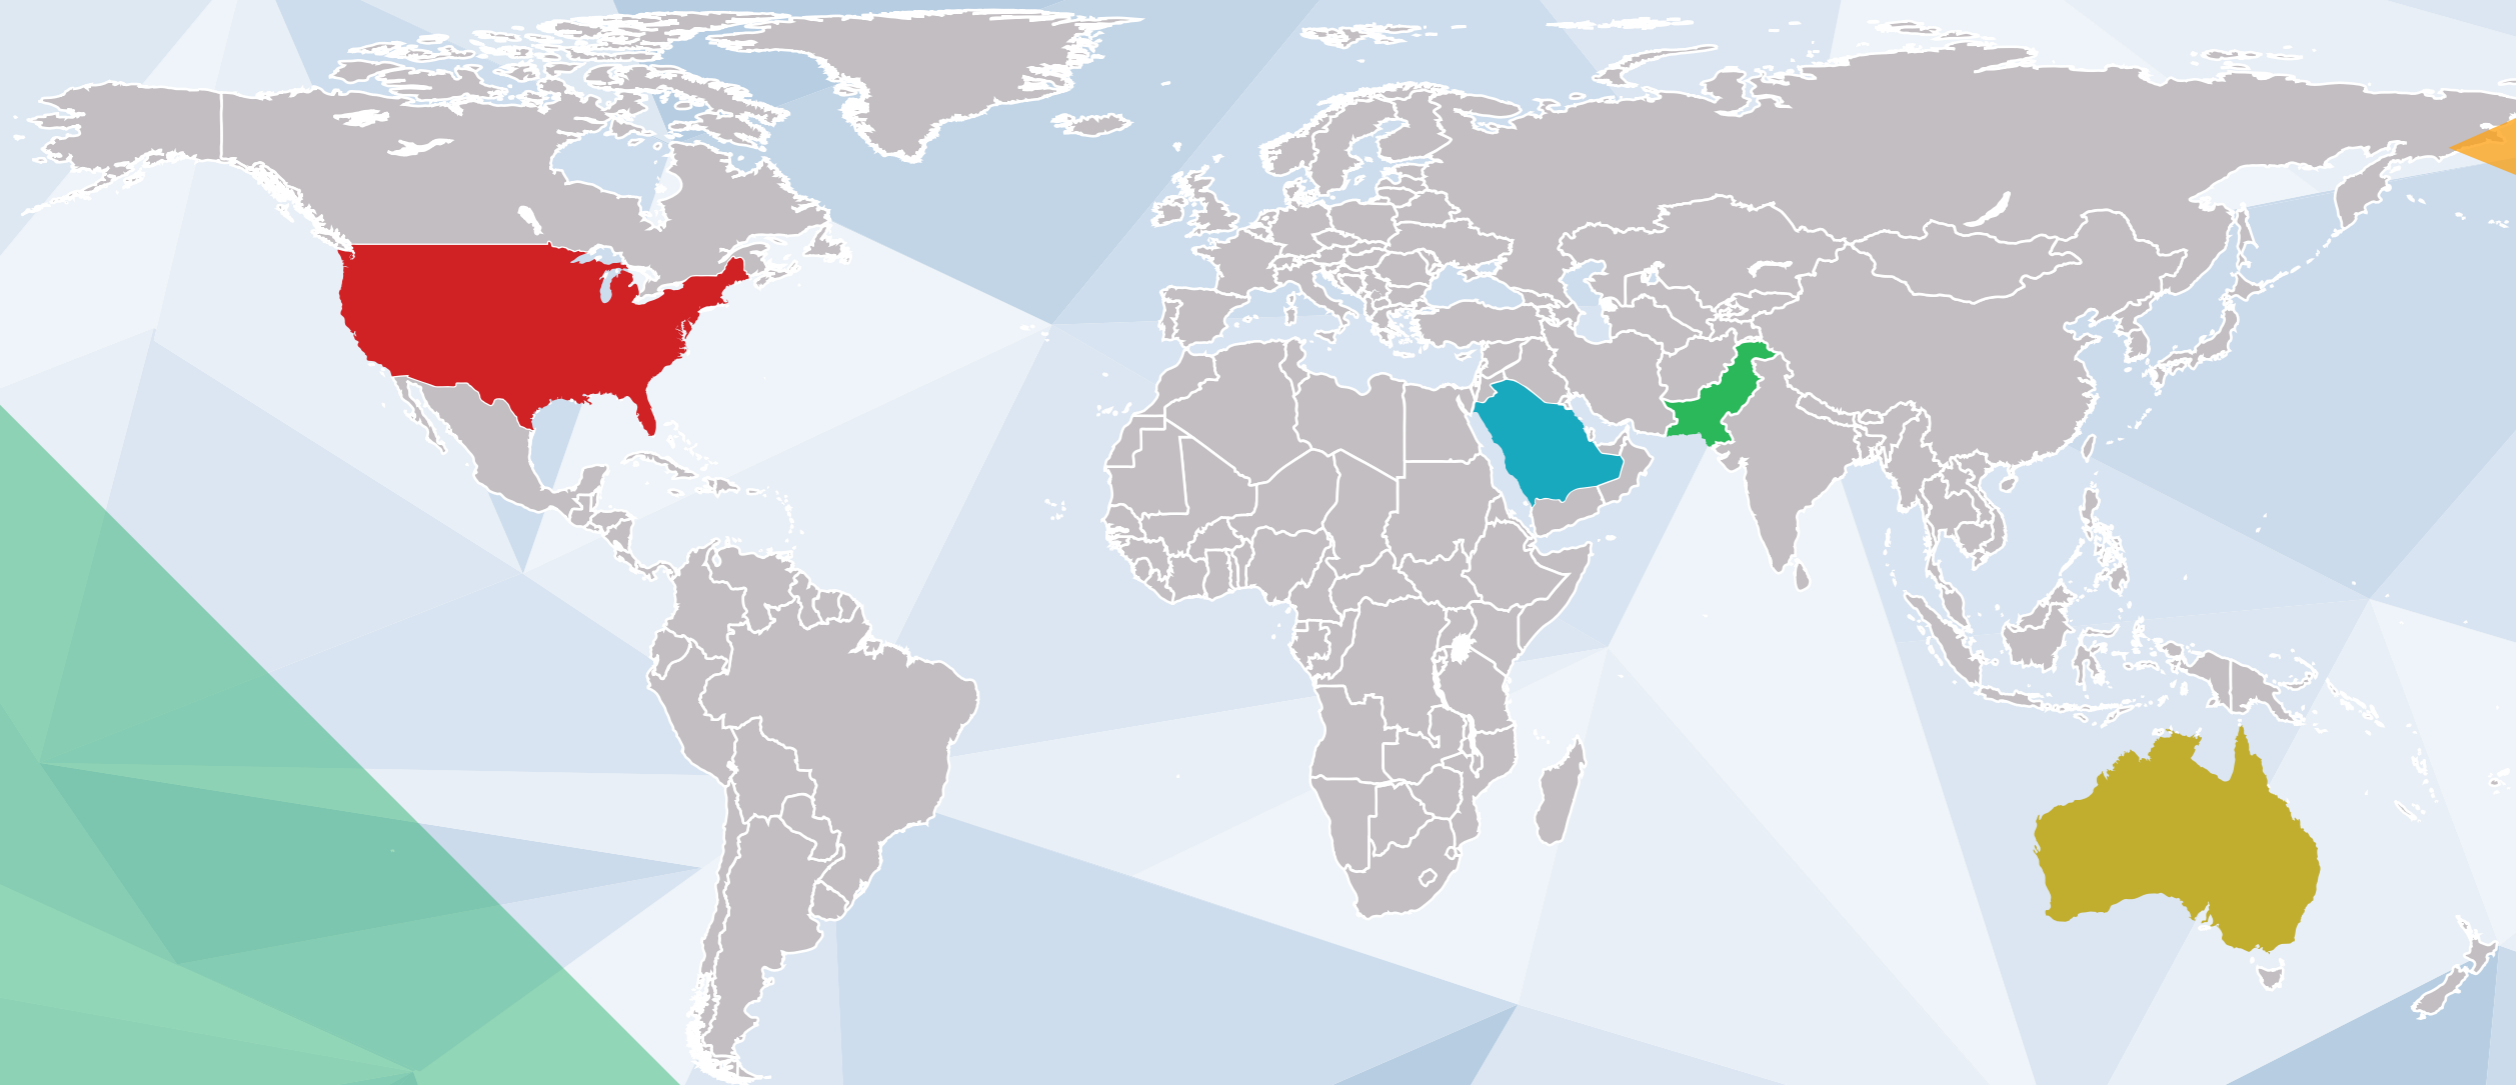

## Bilingual

With Bilingual functionality and Hijri date conversion, eHCM is quickly adapted by the end users
