

SITECALL

twice as many inbound leads

WHAT IS IT?

SiteCall is a standalone website application that improves your conversion rate and attracts more potential customers. Your website visitors leave their phone number in an elegant pop-up so that your consultant could call them back immediately or whenever they want. The pop-up is customizable - you can upload your photo, change the colors or add information.

SITECALL IS ALL YOU NEED

EASY CUSTOMIZATION

SMS NOTIFICATIONS SENT TO YOUR CUSTOMERS

**CALL RECORDINGS, CALL HISTORY
AND PERFORMANCE REPORTS**

SIMPLE MANAGEMENT OF WORKING HOURS

WHO CAN BENEFIT?

Each company, regardless of size and branch, which aims to improve the conversion rate from the website. It is suitable for teams of all sizes and it certainly is one of the cheapest and easiest forms of lead generation.
