### 3. They believe in Calamari

*Calamari has changed their daily HR Management !*

“We’ve researched a few options, and Calamari turned out to include almost everything that we needed. It’s easy to use, quick, and friendly. If you’re looking for a tool that helps you manage the absence leave for employees, then Calamari is great for you.

Ramzi Rayess, Operations Manager at FOO

“It took me time to find tracking management system that would be the best solution for our company. With great and flexible customer service we managed to implement 2 different policies for our 2 offices: US and Spanish. Very open to changes and flexible. I would definitely recommend Calamari.

Anna Grzywińska, HR Specialist

“We need a leave management system and Calamari delivers all that we need, perfect for a small organisation looking for a simple solution for a simple problem. The UI is the most user friendly I have seen among applications of the similar type. Their customer service is impeccable. (...)
