

# Ceridian Powerpay

Flexible, secure, and accurate payroll processing.

## Your Complete Payroll Solution

Whether you currently process payroll in-house, outsource it, or work with an accountant or bookkeeper – you can save time, cut costs, and accomplish even more with Ceridian as your trusted partner.

Ceridian Powerpay solutions are flexible, scalable and reliable to meet the current needs of your organization and easily adjust as your business grows or your needs change.

From easy-to-use online solutions that empower your organization with cloud technology to a managed solution leveraging this same leading technology, Ceridian offers the right solution for you.

Reduce your administrative burden by up to 40% for proven time and cost savings as well as reduce your risk of costly payroll errors and enable legislative compliance.

### POWERPAY SOLUTIONS INCLUDE

#### POWERPAY

Powerpay is a leading cloud payroll solution that is trusted by more than 37,000 small businesses.

Ease the hassle and worry of payroll in three easy steps:

1. **Securely enter your payroll data online, using your laptop, tablet or smartphone**
2. **Preview your payroll to review any errors automatically identified by Powerpay**
3. **Submit your payroll for processing and we'll handle payments and government remittances**

If you have any questions, **our CPA-trained payroll experts are there to provide unlimited support.** Free yourself from tedious and time-consuming administrative tasks, including everything from issuing government remittances to year-end calculations.

#### POWERPAY MANAGED

Outsource your payroll processing to Ceridian. Our experts use Powerpay technology to alleviate your administrative burden and provide dependable, accurate and timely service.

#### POWERPAY PLUS

**Powerpay Plus offers additional features and benefits** including role-based security, storage and viewing of HR data, Powerpay Advanced Reporting (templates), and 80 additional earnings codes.

If your organization is mid-sized or simply has more complex payroll administration needs, such as union calculations, Powerpay Plus is your complete payroll solution.

Powerpay Plus easily integrates with additional Ceridian solutions, such as Dayforce Workforce Management, to help drive additional administrative and productivity savings.

#### POWERPAY PHONE

If you are a business with 30 or less employees and have simple payroll needs or no internet access, Powerpay Phone may be right for you. Just call your Customer Care Representative with your payroll information and, while you are still on the line, we enter and verify your payroll totals.

Makes Work Life Better™

## MAKE BETTER-INFORMED DECISIONS

With Powerpay and Powerpay Plus you can make better-informed business decisions with comprehensive standard and ad hoc reports. Ceridian also offers a sliding scale of add-on solutions that ensure you can choose the right reporting capabilities for your organization.

You automatically receive standard payroll reports each pay period, including:

- Funds Summary
- Journal Entry
- Payroll Register
- Government Remittance Summary

### POWERPAY ADVANCED REPORTING (TEMPLATES INCLUDED WITH POWERPAY PLUS)

Easily generate standard and ad hoc reports (with an additional training fee) without having to go through Ceridian or your own IT department. You can make better decisions based on facts, reduce IT costs through self-serve report creation, and simplify reporting processes. You also eliminate outside tools that compromise data accuracy and provide better data for compliance.

### POWERPAY CUSTOM REPORTS

Need help creating a special report? For an additional fee, Ceridian representatives will pull together and deliver reports with the specific information you want.

## POWERPAY SELF-SERVICE ADD-ON

- Allows employees to quickly and conveniently view their pay statements and year-end tax forms
- Enables employees to view personal information online
- Frees up your administrative time, reduces paper waste and satisfies employees

## JOBS, POSITIONS AND COMPENSATION ADD-ON

- Provides the ability to assign a rate of pay and job costing allocations to a position, job or seniority level
- Saves time and minimizes data entry errors

## CUSTOMER SUCCESS STORY

**With Powerpay, Peter Crushing and Hauling Ltd. reduced the amount of time spent processing payroll by 89%, from 3 hours per pay period to just 20 minutes. With that extra time, the business was able to expedite turn-around and offer same-day deliveries.**

## **BUILD YOUR COMPLETE PAYROLL AND HR SOLUTION**

Powerpay and Powerpay Plus easily integrate with Dayforce Workforce Management (WFM) to help organizations like yours reduce their costs.

### **DAYFORCE WORKFORCE MANAGEMENT**

By adding WFM to your Ceridian Powerpay solution, you can build a flexible, scalable, and complete HR and payroll solution perfectly tailored to the unique needs of your organization.

Dayforce WFM helps you improve workforce performance, reduce labour cost and align your workforce with your strategic goals.

Features and functionality include:

- Time & Attendance
- Entitlements
- Scheduling
