

Are You're selling credit? If so, what is important information to you before closing the transaction? Is it debt, business partner or something third?

The purpose of **credit policy** in any case is to get the money from the client - **here we can help You.**

No, we don't offer a dept collection service.

We're doing a background check **Easy** and **convenient** for you.

From now on it is possible to use the Riskifaktor of Äripäev InfoPank, which gives each company a unique **risk assessment** and recommendation of **credit limit.**

Data is updated every night and in the morning there are fresh riskfaktor data for you already waiting in the system

Introduction

Risk Factor application provides interface with service provider "Äripäeva Infopank" <https://infopank.ee/> to query customer and vendor credit ratings.

The service is divided into two levels:

- Simple
- Full

Basic features in Simple Level:

- Credit status as "Traffic light": Green / Yellow / Red
- Recommended credit limit in EUR

Advanced features in Full Level:

- Show credit rating detailed data
