

DAILY DATA RISKS

The day in a life of **your** data

Your data is at risk everyday in the most **unsuspecting places**.

Supposedly **secure** wireless networks give criminals access to your data.

The information that we share online **provides criminals access** to pieces of data allowing them to defraud individuals and companies

OMNI>FUND®

We keep data **100% Out Of Scope and in PCI Compliance** while maintaining the highest level of security.

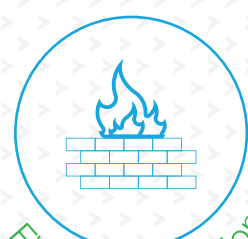

With OmniFund there is **ZERO** private data exchanged and **ZERO** financial information exchanged.

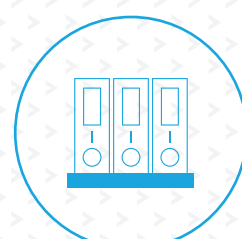

Biometric Access

Cloud Security

Firewall Protection

Server Access

Anti-Virus

Secure Data Platform Solutions. Its That Simple.

YOUR DATA AT RISK

Fraud can happen every day

Your **DATA** is at risk when you least expect it

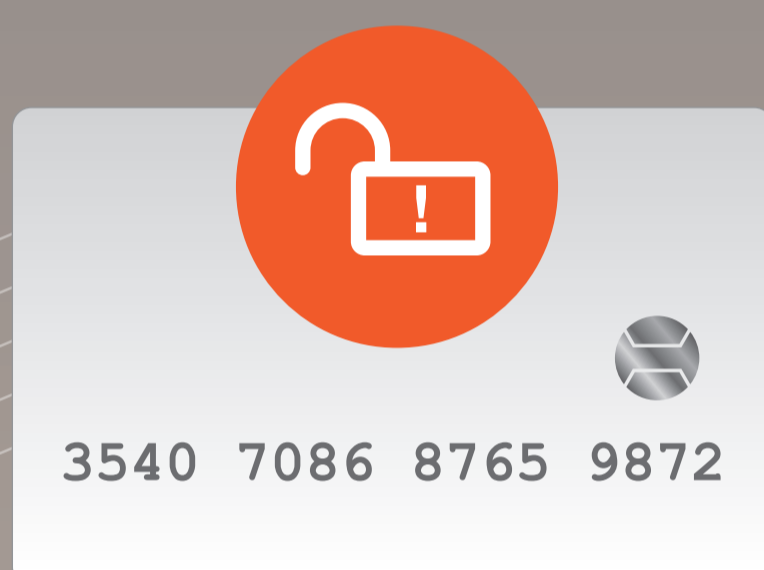

When you give your personal information to others over the phone they don't always have your best interest in mind

Agents in call centers directly copy your financial data.

When they can't copy, they **memorize it!**

DID YOU KNOW?

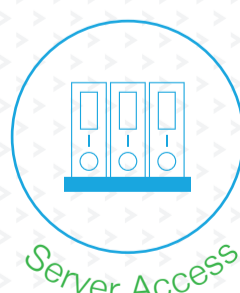

Credit card skimmers offer fraudsters with the ability to **directly read** your financial data from your credit card.

OMNI>FUND®

We keep data **100% Out Of Scope and in PCI Compliance** while maintaining the highest level of security.

With OmniFund there is **ZERO** private data exchanged and **ZERO** financial information exchanged.
