What is PowerCalendar?

Ever want to see team member's activities all in one place within Dynamics CRM? With PowerCalendar you can! In PowerCalendar, users can choose which team calendar they'd like to see and then filter by activity type, status, or individual team member to get a full understanding of what each team member has scheduled. Users can also create tasks, appointments, and phone calls on the fly for themselves or other users in the system.

How Do I Get Started?

Try any of our PowerPack Add-ons FREE for 30 days with no risk and no pressure to commit! There are no setup fees, no long-term contracts (simply month to month), and no credit card information required! Click here to learn more.
