

See your business
clearly with Wiise

Payroll Information Pack

Connect the dots like never before.

Upgrade your payroll to a clever, single touch compliant system designed to handle your business complexity. Manage and streamline your process of employing and paying people for your business with the right tools to save time like automated payment journal postings. Ensure compliance in Australia, empower your employees and see your costs clearly with powerful reporting with Wiise payroll.

Wiise payroll comes as an extra to the Wiise Lite, Business and Premium packages.

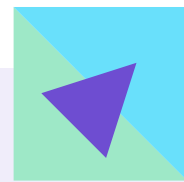

See the details that make a difference

With an employee self-service, empower your people to submit leave and timesheets, update personal details and more.

Break down the silos

As a single touch payroll, you can automatically and securely report your payroll to the ATO after each pay run.

When you see it, you can solve it

Get access to the right information with reporting and get clarity on the time and cost linked to every employee.

Streamline your systems. Try Wiise for FREE for 30-days.

How Wiise payroll benefits you and your business.

Businesses with growing complexities are looking for a better solution to connect people, processes and siloed information. Our payroll with your Wiise subscription helps to solve these pain points. Take away the need for an add-on to calculate your employees' pay, super and reporting to the ATO. Do it all in the one integrated solution.

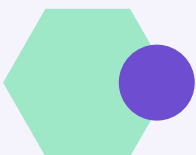

As a fully cloud-based business software, Wiise brings your systems together in the one place, connecting people with insights. Manage the end to end journey of employing people for your business within the single solution. Remove the stress of reporting, save time and money and ensure your employees are happy with Wiise payroll.

Bring it all together with clever business software

Streamline how you do payroll

Eliminate the hassle of manually setting up pay calculations for every employee. Use the powerful pay engine automation in payroll to do most of the work for you, so you can focus on how best to manage employees.

Get clarity on your workforce and costs

Work can get complex whether people are working in multiple locations or shifts for different jobs. Be able to record start and finish times to have the complete picture of your costs.

Quick access to Australian modern awards

The modern awards set by Fair Work can be complex and ever changing. Stay ahead of changes with a payroll solution that automates all the rules around modern awards; so that, your pay is always compliant.

WiiSe payroll options

Reach your full potential with unlimited employees within an integrated payroll solution. You can change your subscription to include more employees and functions as you need it.

ESSENTIALS

With clever business software, you can do everything you need to do to pay your employees. An integrated solution with automated payroll journal postings, reporting, superstream and ATO connections and employee self-service.
