

# Rockton's Recurring Billing

We've transformed tedious manual tasks into an automated, time-saving machine for your entire team with our robust recurring billing application.

**Don't just take our word for it, the numbers happen to agree!**

## Tick-Tock. Where did the day go?

The number of hours your staff could gain back with an automated billing system.

## Clickity, Click, Click, Click!

**DID YOU KNOW:** It takes an average of 7 clicks to generate and send an invoice?

## \$how me the Money!

Amount you could  
**re-purpose**  
back into your budget  
each year with improved  
efficiencies to your  
invoice sending.
