

## 1. About Nativy Translations

Nativy is a Vienna-based online translation agency offering professional translation and proofreading services for over 500 language combinations. Nativy's services are provided by over 2800 professional translators and writers from 63 countries, all of who translate only into their native language. Nativy is thus able to not only translate content, but also properly localize it. [www.nativy.com](http://www.nativy.com)

## 2. Key Features

### Simple Order Process

- Instant quotes on price and delivery; 3 clicks to order
- 500 language combinations
- Professional native translators with specialization in various fields
- Same order process for proofreading/editing

### More Efficient Translation Process

- We custom build a team of “preferred translators” for you
- Work with the same translators every time
- Direct contact with the translator
- Automatic invoicing and billing

### Collaborate Across Departments

- Share translators with your team and other departments
- Manage translations on a department-wide and inter-department level
- Use the same translation database across departments to ensure consistent messaging and style

### Translation Database

- We build one dynamic translation database for the entire company
- The database is expanded with every order
- Each translator sees the exact translation history for all matching content, to make sure your vocabulary and style remains consistent no matter who places the order!
- Get translations cheaper and faster over time

### Great Customer Service

- We're an online service but pride ourselves in our great customer service
- Should you have any special requests or need to place a “rush order”, just give us a call or drop us a line
- We're always one phone call away!
