## **ONESOURCE™ Determination for Dynamics 365**

Industry standard for sales and use tax, VAT, and GST

ONESOURCE Determination for Microsoft Dynamics 365 for Finance and Operations, Enterprise, is a smarter end-to-end tax solution for US and global sales tax, use tax, VAT, and GST, regardless of your corporation's size or geographic reach. Automate the entire transactional tax lifecycle — from rate calculation to compliance. Say goodbye to manual work and focus your time on growing your business.

Better manage tax liability through our seamless integration with your existing sales and purchase process. ONESOURCE Determination intelligently delivers billions of real-time tax decisions at the point of transaction, integrated with your Dynamics 365 system. Each time you run a sales or purchasing transaction in your Dynamics 365 system, ONESOURCE Determination instantly calculates precise taxability, evaluates exemptions, and applies the final tax decision back to the transaction in Dynamics 365.
