

## Australia's Most Competitive Cryptocurrency Bill and Bank Payment Service.

**Challenge** There are high barriers to mass adoption of cryptocurrencies, namely the inability to utilise them to make payments. Typical crypto payment services in Australia offer inflated fees, strengthening this barrier.

**Solution** Utilising artificial intelligence, Paid By Coins can offer Australian consumers the most competitive crypto bill and bank payment service. Furthermore, exploring a payment gateway for any ecommerce site, Paid By Coins is enabling cryptos their true value.

**Benefits**

- Enable crypto holders to capitalise on their investments
- Provides an alternative payment method, at a cost effective price point.

“Paid By Coins is the fastest and most convenient way for Australian consumers to pay for their everyday bills with Bitcoins”

— Marco Manera,  
CEO, Paid By Coins
