

## ENJOY A SMOOTHER HR RIDE

Sympa HR is a complete, fully-customisable HR-solution that lets you focus on people and smart decision-making. Get a clear view of all your people data and automate all your routine HR tasks. You can easily adjust and scale Sympa HR as you like by yourself: connect your favourite business software and enjoy Sympa HR's powerful reporting and analytics tools!

Local or global people business, we've got you covered. We're proud to be the fastest growing HR solution provider in the Nordics with more than 600 organisations around the world using our people solution.

## ONE SOLUTION, FROM HIRE TO RETIRE

## TRUSTED BY 600+ ORGANISATIONS IN OVER 100 COUNTRIES

Our customers love us for a reason. Sympa provides a complete, fully-customisable HR-solution that lets you focus on people and smart decision-making. Sympa HR has one of the highest customer satisfaction rates in HR technology in Europe to prove it.

*"We finished the project perfectly on schedule, and the product turned out exactly how we wanted. There were genuine tears of joy and hugs all around when we wrapped things up."*

**Annika Vikholm**  
HR specialist, Scania Finland

*"Sympa HR's customisation to fit our needs has been a delight. We've been able to take care of a lot of fixes and make changes to the solution independently."*

**Hanna Fontana**  
HR Manager, The National Opera & Ballet, Finland

→ [Read full story](#)

*"I'll say this: we cannot live without our HR system. It's the foundation for all other development. An agile and easily adaptable HR solution, that can work across multiple countries has been essential."*

**Morten Jakobi**  
SVP, People and Culture, Dustin
