

## Getting Started – Zap Attachment Viewer App

Step 1: Install Zap Attachment Viewer solution file in your Dynamics 365 CRM environment (from AppSource).

Step 2: Register license profile online to request trial license (Browse to Settings >> Zap Apps >> Zap\_AV\_License, enter details and click register). Refer [licensing KB article](#) for more info. (refresh the page if licensing link does not show up in sitemap).

This will start the 15-day trial automatically.
