BETTER INSIGHTS SMARTER DECISIONS

Solutions for Productivity & Business Continuity for SMBs and Enterprises

We are enabling organizations to improve their BCP and Productivity during the global pandemic by digitally transforming operations.

We see this situation as an opportunity for enterprises to digitize processes, resulting in efficient

workflows and saving thousands of dollars, in any given span of time.

Make your journey more Collaborative with Digitized Solutions on Power Platform

Solution: You Rock App

You Rock | A Gamification app for Employee Appreciation, HR Engagement and People Rewards

You Rock is developed with the intention to keep your employees motivated during this phase, as a part of the talent recognition process.

The app sends out shout outs to recognized employees on a unified platform in a beautiful looking template with a powerful message, as chosen by the manager.

The app connects with any existing HR ERPs to support your reward programs easily.

The app comes with pre-built templates for different types of appreciation and can be deployed within a day.
