

# Envision what your future looks like

**Our experts are here to help you solve key challenges such as:**

- Activating digital selling
- Building a resilient supply chain
- Enabling always-on service
- Managing financial risk and reducing fraud

## **Building a better future**

*Businesses are rapidly transforming to product-as-a-service which is creating a need for more efficient responses, sustainable supply chains, responsible and compliant practices, and a growing skills gap in workers. This is pushing organizations to create new business models and rethink the entire value chain.*

*In this new reality, how do you envision the future state of your organization? Build your transformation strategy with Microsoft Catalyst, a proven and powerful approach to innovation.*

## **Let's ideate together**

*As part of Catalyst, meet with our experts and run an envisioning workshop, where we can ideate together using design led thinking concepts and jointly define how to enable the digital transformation of your organization.*

*This one-day briefing starts with a review of your business objectives, followed by mutual discovery and visualization of solutions, ending with a clear, actionable picture of how we can help you reach your business goals.*

*For the last 25 years, HSO has been enabling the businesses to better serve their customers by connecting people, systems, and information resulting in more impactful outcomes.*

# What is Microsoft Catalyst?

Build, plan, and execute business transformation strategies with a proven, innovative approach from Microsoft Catalyst—an envisioning and planning program that employs Microsoft Dynamics 365, the Microsoft Power Platform, and the Microsoft Cloud. Your business transformation starts with an I.D.E.A.

Start by finding the transformation strategy that's right for you. Define and prioritize your strategy using development activities, then foster ideation and drive decision making with an envisioning workshop.

## Inspire
