

CONSTRUCTION BLUEPRINT

POWERED BY MICROSOFT

- Keep track of key project milestones from inception through to completion
- Manage key processes including sales, estimation, bidding, samples, and production
- Optional integration with ConstructConnect or Dodge
- Sales process visibility including lead generation, qualification, quoting and forecasting
- Oversee the bid process with multiple subcontractors bidding on the same end-project
- Optional ERP integration

Build product demand and manage relationships with key stakeholders including Architects, Designers, Subcontractors and General Contractors.
