

CONFIGURE PRICE QUOTE (CPQ)

Empower Buyers and Sellers To Configure Deals Faster

Salespeople spend **less than 22%** of their time actually selling.

82% of B2B decision-makers **think sales reps are unprepared.**

So how do you empower your sales team to sell more effectively with less time?

Apttus CPQ leverages artificial intelligence (AI) and machine learning (ML) to be a “virtual coaching staff.” With Apttus CPQ, reps quote faster and more accurately, ultimately closing bigger deals at a higher win rate.

CHALLENGES

- Inability to manage complex catalog and related pricing
- Quoting errors and delays
- Manual approval processes
- Inconsistent pricing and rogue discounting

KEY BENEFITS

- Manage unlimited product complexity, including nestled bundles
- Faster, more accurate quoting process
- Increase revenue & maximize profitability
- Reduce revenue leakage
