

My Time

Submit and approve time entries on-the-go through a straight-forward canvas app

What is My Time?

My Time is a canvas app that enables users to submit and approve time entries in one location. Users can also track their time entry's status - from "draft" to "approved".

App Description:

My Time displays information from Dynamics 365 through Project Service Automation. It also replicates basic functions such as saving drafts for submission, allowing utmost ease for both project resources and project managers.

App Benefits:

- Seamless submission and approval process.
- Transparency between project resources and project managers.
- User friendly interface and functions similar to Dynamics 365.

App Features:

Create, submit and approve time entries.

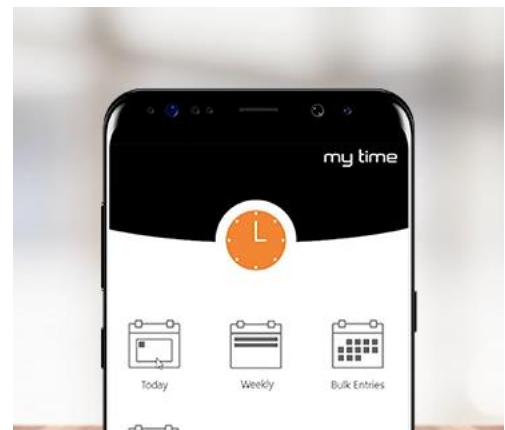

Submit time entries daily or by week in bulk.

Track time entries – from "draft" to approved".

View time entries through Daily, Weekly, or Bulk Timesheet screens.
