

Vietnamese Language Pack for Microsoft Dynamics 365 Business Central

Vietnamese Language Pack allows your employees operate Microsoft Dynamics 365 Business Central in their native language. With Vietnamese Language user can easily switch between English and Vietnamese commands and work seamlessly with the two language versions.

The screenshot shows the Microsoft Dynamics 365 Business Central interface in Vietnamese. The top navigation bar includes the company name "CRONUS USA, Inc." and various menu items like "Tài chính", "Quản lý tiền mặt", "Bán hàng", "Mua hàng", "Cài đặt", "Tiện ích mở rộng", and "Intelliger". Below the navigation bar, there's a section titled "INSIGHT FROM LAST MONTH" with a large text display: "Your top customer was School of Fine Art, bought for 23.102 \$". To the right of this, there's an "ACTIONS" section with links like "Bảo giá", "Đơn hàng bán", "Hóa đơn bán hàng", "Bảo giá mua hàng", "Đơn hàng mua", "Hóa đơn mua hàng", "Mới", "Thanh toán", "Bảo cáo", "Thiết lập", and "Bảo cáo Excel". At the bottom, there's a table with financial data in Vietnamese.

Hoạt động	TỔNG HÓA ĐƠN BÁN HẠN	TỔNG HÓA ĐƠN MUA HẠN	SALES INVOICES PREDICT... OVERDUE	
DT THÁNG NÀY	\$1.906	\$63.890	\$49.422	0

- Easy installation
- Easy switch between two languages
