

Social Selling for Dynamics 365

This article tells you how to install the Social Selling for Dynamics , and how to connect to the data sources.

Install the app:

1. Click the following link to get to the app Social Selling for Dynamics 365
2. Once you're on the App's Appsource page, click FREE TRIAL.

The screenshot displays the Microsoft AppSource page for the 'Social Selling for Dynamics 365' app. The page header shows the URL: <https://appsource.microsoft.com/en/product/dynamics-365/crossregionstechnology158668957138...>. The app's logo, 'Social Feels', is prominently displayed. Below the logo is a 'FREE TRIAL' button. The app's name, 'Social Selling for Dynamics 365', is followed by the publisher's name, 'Cross Regions Technology', and a 'saved' heart icon. A star rating of 5 stars (0 reviews) is shown, along with a 'Write a review' link. The 'Overview' tab is selected, showing a description: 'Find and engage with new prospects on Social Media'. The description continues: 'The comprehensive Social Selling tool that allows your sales teams to find new leads on Social Media and engage with them immediately.' Below this, it states: 'Our special algorithms and managed Microsoft cloud services allow your businesses to find relevant users on social media. This does not only allows you to increase your sales but significantly increases the return on investment in technology by reducing the need to manage and maintain multiple internal and external social media platforms.' A 'Learn more' link is provided, along with a link to 'Social Feels Lead Generation for Dynamics 365'. On the right, a preview of the app's interface is shown, displaying a list of social media leads with columns for 'Twitter User ID', 'Twitter User Name', 'Qualified Lead', 'Created By (Organization)', 'Created On', 'Status', 'Status Reason', and 'Owner'. The 'Status' column shows 'Active' for the selected lead.

3. Enter the email address.

The screenshot shows the Microsoft AppSource interface for the application 'Social Selling for Dynamics 365' by Cross Regions Technology. The page includes a sidebar with navigation links for Products, Publisher, Acquire Using, Categories, Industries, Products supported, Support, and Legal. The main content area displays the app's name, a 'Free trial' button, and an 'Overview' section. A sign-in modal is overlaid on the page, prompting the user to enter their email address. The modal contains the following text: 'Sign in to Microsoft AppSource', 'Enter the email address of the account you want to use when acquiring apps on AppSource.', a warning icon and text stating 'The app you have selected (Social Selling for Dynamics 365) requires a work or school account to continue. Microsoft accounts are not supported for this app.', a text input field with 'info@crossregions.com' entered, a 'Sign in' button, and a link for 'Don't have an account? Sign up for a free account'.
