

# Prevailing Wages WH-347 automated

## CEM Certified Payroll

CEM Certified Payroll automatically computes the payroll prevailing wages and helps you file the 'statement of compliance' WH – 347 form, easily on a weekly basis. Enjoy the benefits of maintaining all your employees' details, including projects, total work hours, project timesheets, prevailing wages, trade codes and state or county (geography), workers comp, and employee fringe benefits. In addition, you can quickly upload relevant mass data with a few clicks. CEM Certified Payroll simplifies the work of calculating, distributing and reporting prevailing wages for your federal projects.

## WHAT WE OFFER

### Quick and Simple

CEM Certified Payroll automatically captures data at source. These include local prevailing wages, crew mass data import, T&A, shifts, PTO etc. Payroll process is quick and easy. After your payroll is approved, it pays the beneficiaries and sends your WH-374 form automatically.

### Accurate

With constantly changing crews, trades, locations, timings and rates, computing certified payroll with overtime, double time, fringes, earnings and deductions is challenging. With CEM Certified Payroll, you can process certified payroll accurately.

### Compliant

CEM Certified Payroll is compliant with federal regulations. Besides filing WH-347, it maintains all records for future reference. This solution is placed in the Microsoft environment, it's secured and compliant with other regulations like GDPR.

### Integration

CEM Certified Payroll is seamlessly integrated with Dynamics 365 ERP, D365 HR and PowerBI. This software resides in the Microsoft Azure Cloud, giving access to IoT devices. It has capabilities for payroll, union payroll, 9/80 payroll, global payroll, mobile and project sites. daily Log

## WHAT OUR CUSTOMERS ARE SAYING

*"Prevailing wages management is a compliance requirement for federal projects. With many private, local and federal projects happening simultaneously in multiple states, it is demanding to segregate and report, as per Davis-Bacon Act. CEM Certified Payroll with CEM Advanced Payroll helped us to process payroll and report using WH-347". This majorly simplified our work, saved us time and kept us compliant".*

**Intelligence** that delivers actionable insight. Data in the new world includes social, relationship and productivity information in addition to insights generated by business systems. The right solution requires a unified approach that allows companies to automatically leverage their data to decide and act in real-time with expanded analytics, predictive algorithms, and automated AI.

**An extensible environment** that enables change. The right solution establishes a data, communication and application environment that makes it easy to evolve and extend existing business operations, while introducing technologies that enable users to create solutions where no solution exists and to expand data analysis.
