

# SL Overlay Fall 2020 release

## for Microsoft Dynamics 365 Business Central

The SL Overlay adds new features to Microsoft Dynamics 365 Business Central that everyone can use.

The SL Overlay is the result of working with Microsoft Dynamics SL users to create new features that adds value to all users who have moved to the cloud using Microsoft Dynamics 365 Business Central.

### SL Overlay Fall 2020 Features:

- Reverse Journal
  - Set the future date of the Reversing Journal for Recurring journals
  - Standard process posts to the next day
- Warning Messages
  - Adding 25 additional warning messages for data missing from key fields that can be turned on or off
- Shortcut Dimensions 3-8
  - Adding Shortcut Dimensions to setup and data entry screens
  - Adds initialization process to populate previous entries

The Spring 2021 release is scheduled to include:

New reports, batch processing enhancements, data entry enhancements, an SL based graphical menu system and more.
