Product Description

We've designed Paladin HR to be as dynamic as possible, which will allow you to customize the system to suit your needs. It's an all in one HR system to cover all aspects of a thriving Human Resources department.

Built To Last

Paladin HR has been built on the latest Microsoft Dynamics Business Central platform meaning upgrades are quick and easy.

eSignature Support

Electronic signatures are fully supported, enabling you and your users to sign contracts through the self-service portal.

HR Portal

Paladin HR comes with its own Self-Service portal for your employees to book holidays, update personal information and download documents.

HR Contract Management

Paladin HR allows you to manage an employees contract from Recruitment to Retirement.

Absence Registration

Paladin HR comes inbuilt with a holiday booking and absence registration system.

Overtime Tracking

Track overtime with the Overtime Tracking worksheet.

Document Tracking

Paladin HR allows you to attach any document to any HR entity, such as: Employees, Contracts, Recruitment Documents or Appraisals.

Secure

Enhanced inbuilt security functionality to lock down HR documents.

Appraisal

Appraisals can be scheduled, tracked, and carried out.

Disciplinaries

Create and manage disciplinaries in a manner than suits you.

Easy to Setup

Paladin HR can be setup quickly and easily with minimal impact on your current system.

Pricing

A HR system that won't break the bank.

We don't tie people into long term contracts and allow you to cancel at any time. **We like to think that, if the software is good, then it's worth paying for.**

Get in touch

If you have any queries just let us know, we're always happy to help. We offer free of charge demos of the system through our parent company Dionix Ltd.
